ENGLISH COCKER SPANIEL

Did You Know? Fun Fact About English Cocker Spaniels!

English Cocker Spaniels are known for their famously wagging tails—these happy pups are often called the “merry Cocker” because their tails rarely stop wagging!

Characteristics:

English Cocker Spaniels are full of charm and boundless energy! Known for their sweet, friendly nature. Cockers are playful and loyal with a natural enthusiasm for activities, whether it's a game of fetch, a walk through the park, or simply cuddling up at home!

Temperament:

English Cocker Spaniels are known for their warm, affectionate nature and are incredibly people-oriented. They're gentle, social, and love nothing more than being part of the family, making them perfect companions for just about anyone!

A Bit of History:

Did you know that English Cocker Spaniels were originally bred as hunting dogs in the English countryside? Their name comes from their skill at flushing out woodcocks—a type of game bird—making them beloved hunting companions for centuries.

SIZE: Medium

SAFE & HOUND

HOW TO KEEP CALM AND SPARKLE ON THIS FIREWORK SEASON.

With firework season upon us, it's important to remember that while we may enjoy the bright lights and loud bangs, our furry friends can find them quite scary. **Fireworks can cause anxiety and stress** in dogs, so taking a few **simple steps to keep them safe and calm** is essential.

Create a Safe Space: Set up a cozy, quiet area for your dog, away from windows and bright flashes. Add blankets, toys, and close the curtains to help muffle the noise.

Stay Calm: Dogs pick up on our emotions, so try to stay relaxed. Comfort them if they come to you, but avoid fussing too much, as it might increase their anxiety.

Distract Them: Offer their favourite toys or treats to keep them focused on something other than the noise. Puzzle toys or interactive feeders work wonders.

Keep Them Indoors: It's best to keep your dog indoors during firework displays, ensuring doors and windows are securely closed to prevent any panic.

Consider Calming Aids: Calming sprays, wraps, or advice from your vet can help soothe particularly anxious dogs

Firework season can be a challenging time for dogs, but with a little **extra care and attention**, you can help them feel **safe and loved**. After all, our dogs deserve to feel as comfortable as possible
