Less than 24 hours notice 100% charge of services booked. We require 48 hours notice for any cancellations or reschedule of appointment.

A minimum deposit of 50% of the service cost is required to secure your cat grooming appointment.

It is the owner's responsibility to ensure that outdoor cats are kept indoors prior to their appointment. Missed appointments due to failure to do so will result in loss of the deposit. All cats must arrive in a secure carry crate.

### LATE APPOINTMENTS

If you are more than 15 minutes late to collect your cat, late collection fees will apply - £5 fee per every 15 minutes late.

If you arrive to your cats appointment late, we may not be able to complete the full grooming service that is booked. We will do our best to do what we can in the time remaining, the full price of services booked will still apply.

### BEHAVIOUR

We have the right to stop the groom at any point if we feel your cat is too stressed or if there is a risk of injury to your cat or a member of our grooming team due to the cats behaviour.

If your cat is very nervous or stressed we will of course be gentle and take our time with them, but if we feel they are becoming too stressed we will stop the groom and work with the owner to put a grooming plan put in place going forward.

### COLLECTION TIMES

Please notes we may have to adjust collection times during the groom if it is more difficult or taking longer than expected due to coat condition or cat's behaviour, this will be charged on an individual basis.

### HEALTH

By booking your cat for a groom, you agree that your cat is fit, healthy & fully vaccinated (at the time of the appointment)

If your cat's health causes concern or your cat becomes unwell during the grooming process, HFB groomers will contact their owner and, if necessary, stop the groom until the cat has been checked by their vet and ok'd for grooming. We will then charge for all services carried out up to that point.

The owner agrees that the groomer will not be held liable or responsible for any issues that arise due to a pre existing health or skin conditions and will disclose all health information on the arrival or their cats appointment.

### PARASITES

If parasites are present on arrival, we will be unable to accept your cat for grooming and the full cost of services booked will be charged. If parasites are found to be present once the groom has started, a charge will be applied. Tick removal/flea charge is £5.

### SKIN & MATTING

If your cat arrives for their appointment with a matted coat, you will be required to sign a matting consent form before any grooming can take place. Matting fee will apply from a minimum of £15 extra.

You understand that the grooming process can cause irritation and abrasions during the process of de-matting and agree that the groomer will not be held responsible for this. Skin conditions discovered underneath matting are the owners responsibility. We will always work in the best interests of your cats welfare.
