

ALLEN-NORRIS PERMITTING AND INSPECTIONS

COMPANY OVERVIEW

Allen-Norris Permitting and Inspections is a certified woman-owned small business specializing in residential and commercial permit expediting and building inspections consulting services. We leverage more than 30 years of expertise in developing and administering building codes to ensure customer satisfaction on every project. Our goal is to provide services that are "On Time", "On Budget" and "Code Compliant".

EXECUTIVE LEADERSHIP

Nicole Allen serves as Chief Executive Officer and President of Operation. She brings more than 13 years of business development experience in the real development industry. She has expertise in building code consulting, project management, construction management, environmental inspections and remediations services. She works to provide a complete turnkey construction management approach to clients using responsive and innovative construction management solutions.
