

50/50 Parenting Time Schedules

✓ Week On/Week Off

- Children spend 1 week with one parent and the next week with the other parent. The exchange day can be selected by the parents, and usually is on Friday or Monday.

✓ 3-4-4-3

- Children spend 3 days with one parent, then 4 days with the other parent. Then it switches, and the child spends 4 days with the first parent, followed by 3 days with the other parent. This schedule does NOT allow both parents weekend time with the children, so this is ideal if one parent works on weekends.
