HEAT SQUAD

Helping Vermonters Make Their Homes *Warm, Healthy, Safe & Affordable*

Energy Audits *with Coronavirus Precautions!*

Comprehensive energy audits in *Addison, Bennington, Rutland, Windsor, Windham, Orleans, Essex, Caledonia counties* to identify specific improvements that provide energy savings and address concerns, while meeting desired outcomes. \$150 audit fee.

Guidance and Support

Advising step-by-step to identify projects that will reduce energy costs. We help prioritize the work based on the project budget, provide project coordination throughout, trusted contractor referrals, and 100% quality review of the work. HEAT Squad is here to HELP!

Rebates

HEAT Squad submits your project for Efficiency Vermont's statewide rebates: **covers 75% of weatherization costs up to \$5000 for income-eligible.** For everyone else, rebate covers 75% weatherization cost up to \$2000.

Financing

Provide information on our low-interest statewide NeighborWorks of Western VT Energy Loan or Efficiency Vermont Home Energy Loan— both offered by NeighborWorks.

July 2022

HEAT Squad is a service of the nonprofit NeighborWorks of Western Vermont
