

## Mini Garden in a Tray

### What you'll need:

- ★ Garden tray / large baking dish / large plant saucer / large lunch box / plant pot / wooden box
- ★ Potting soil
- ★ Gravel / pebbles / glass nuggets
- ★ Twigs, sticks / moss / lolly sticks / pine cones
- ★ Small plant pots
- ★ Pens / string and scissors
- ★ Additional - little accessories to make your garden special - small plants, buttons, pipe cleaners, buttons, 'fairy' garden furniture

### How to make your mini garden:

- ★ Make sure your tray is nice and clean and fill with potting soil almost to the top
- ★ Pat down firmly
- ★ Choose your pot and decorate it to look like a little home - place on the potting soil either on it's side or upside down
- ★ Make a pathway up to the little house using gravel or pebbles, twigs make good 'log edges'
- ★ Now have fun decorating your garden with your accessories!
