

Something for everyone

A pump track in Milnshaw Park

Peel Park and the Coppice, the largest park in the borough and the largest Local Nature Reserve in the whole of Lancashire!

Pop along, you never quite know what you'll find!

John Earnshaw Photography 2018

Following the refurbishment of Rhyddings Park which was completed in 2019 the park has been host to a number of community events. Many of the other parks are also available for events. The Council's website has more information about staging an event in a local park.

EVENTS

To find out more about staging an event in a park contact 01254 388111 and ask for the Events Co-ordinator or visit the Council's website.

THE PARKS

OF HYNDBURN

THE PARKS OF HYNDBURN

1 Oak Hill Park BB5 2BN

Oak Hill Park is one of the largest parks within the borough and is located between Manchester Road and Hollins Lane in Accrington. The size allows a host of features and activities including tennis courts, 2 bowling greens, a large children's play area, a multi-use games area, a duck pond and rockery.

2 Haworth Park BB5 2JS

Haworth Art Gallery, one of the borough's premier visitor attractions, is set within the grounds of Haworth Park which is located off Hollins Lane. The park offers a relaxed environment for picnics and gentle walks amongst woodland and more formal areas, including a rose garden. There is also an Accrington Pals Memorial.

3 Gatty Park BB5 4AE

A compact park located off Hyndburn Road which hosts a children's play area, bowling green and ornamental planting. The park also has a cafe.

4 Milshaw Park BB5 4SD

Located off Lancaster Avenue, it consists of a children's play areas, a MUGA, outdoor gym, pump track, bowling greens and a network of footpaths amongst mature trees.

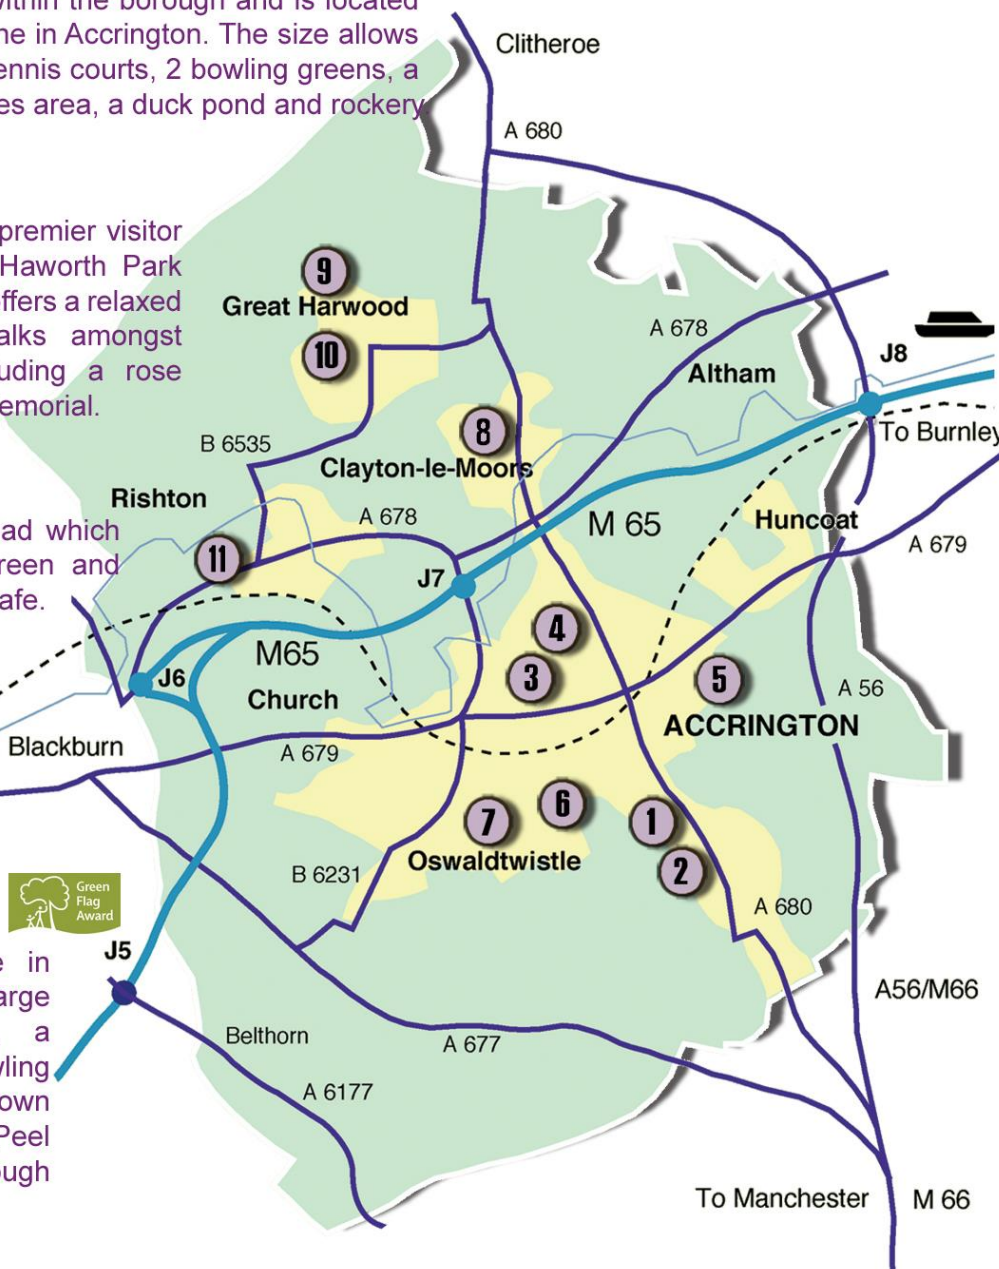

5 Peel Park and the Coppice BB5 6UC

Located at the top of Avenue Parade in Accrington, Peel Park consists of a large Children's Play Area, Tennis Courts, a Multi-Use Games Area (MUGA) and bowling green. The large expanse of countryside known locally as the Coppice is accessed from Peel Park and consists of meandering paths through many different semi-natural habitats.

6 Bullough Park BB5 0LW

Located off Willows Lane in Accrington, Bullough Park is composed of sports pitches, a MUGA and children's play area along with more informal recreation areas and good access to the Woodnook Vale Local Nature Reserve.

7 Rhyddings Park BB5 3AR

Consists of a kitchen garden and community run cafe, a large children's play area, a MUGA, a bowling green, a formal garden and a woodland garden. The park can be found next to Park Lane and Fielding Lane in Oswaldtwistle.

8 Mercer Park BB5 5HT

A children's play area, MUGA, skateboard park, outdoor gym, bowling green and horticultural displays can be found in this compact and level park. It is located to the west of Whalley Road in Clayton-Le-Moors at the end of Sparth Road.

9 Memorial Park BB6 7PT

Located on Church Lane in Great Harwood, the park is elevated with excellent views north. The formal parkland area is complemented by the adjacent sports fields for football.

10 Lowerfold Park BB6 7NS

Located at the end of Lowerfold Road, comprising of a tennis court, a bowling green, multi-use games area and a large children's play area within a formal parkland setting.

11 Cutwood Park BB1 4ET

Adjacent to Rishton Reservoir off Blackburn Road, the park has a children's play area, woodland and more open formal grassland areas including an area for football. There is also a terrace overlooking the reservoir.
