Gabe just had the opportunity to read the letter. This not something we would sign. You could say that you have been in discussion with the fs and they are supportive in the concept of resolving the issue and would be willing to work with all the parties.

Subject: draft letter

Hi Folks,

Here's the latest draft letter.

Please let me know if you're willing to be included as a "signer" of the letter. Notice at end, I've listed "signers" as "electronic signatures." If you're OK I'll leave your name on, if not, let me know.

I'll send invite for the new Google Drive folder with all Exhibits and Attachments in a subsequent email.

Thanks,

Gabe
