

Objective

I am seeking a lead-teacher position in Early Childhood Education that fulfills my passion for learning, community, and youth.

Experience

Pre-K 4 Lead Teacher, DC Public Schools

August 2019-Present

- Devised and implemented scaffolded lessons designed to meet individual student's levels.
- Organized community outreach visits for entire grade 80+ students.
- Fostered family engagement through parent communication, classroom and whole-school events.

Student Teacher, DC Public Schools

August 2017-June 2019

- Documented students' progress and individual goals.
- Developed and implemented scaffolded lessons, both for whole group and small-group math/literacy.
- Maintained strong parent communication through in-person check-ins, school events, and classroom social media.

Director, Adventures in Camp, LLC

Summers 2017/2018

- Coordinated age-appropriate STREAM activities for entire camp.
- Supervised staff execution of activities and group management.
- Corresponded with camper parents, prospective parents, and outside organizations.

AmeriCorps Member, The Literacy Lab

August 2016-July 2017

- Provide Tier 2 and Tier 3 intervention for students meeting Kindergarten readiness standards focusing on phonological awareness and visual discrimination.
- Facilitate family engagement book lending library.
- Assessed students' progress using benchmark standards, adjusting interventions to meet individual students' needs.

AmeriCorps Member, City Year, Inc.

August 2015-June 2016

- Supported 4th graders in attendance, behavior and course performance, focusing on time-management and personal relationship skills.
- Developed and planned class, grade-level, and school initiatives to promote a positive and purposeful school environment.

Teacher Aide, Interplay Daycare Center

September 2014-July 2015

- Supervised 10 children with a Lead Teacher; children's ages range from 6 weeks to 5 years.
- Developed intellectual activities which to promote physical, cognitive, creative and social skills development with our students.
- Discussed student's needs and positive achievements with parents on weekly basis.

Education

Bachelors, University of Pittsburgh

August 2011-April 2015

- History of Art & Architecture, Children's Literature, American Sign Language Certificate
- Pitt Study Abroad: Innovate China-Swanson School of Engineering 2014
- Studied history of Modern China culminating in 10-day trip to China to get a hands-on idea of globalization looking at US companies in China.
- Conducted independent research on the intersection of childhood perception and media's influence, mainly within the sphere of Deafhood.

Masters of Arts in Teaching, Relay Graduate School of Education

August 2018- June 2020

- Pursuing certification in Early Childhood Education.
- Academic Honors, 2018/2019
