

Construction Partnering/Charrette/ Concept Design Workshop Facilitation Services Resume of Laurel Boucher, ME, PE

The Laurel Co. provides professional facilitation services that improve the performance of teams that span beyond professional or organizational boundaries. She offers:

Partnering Workshops
Conflict Resolution Services
Team Building
Strategic Planning Sessions

Design Charrettes & Concept Design Workshops
Inter-Agency Partnering Expertise
Organizational Surveys and Debrief Sessions
Customized Training Programs

Laurel Boucher has extensive experience helping government agencies and private companies partner. Because of her background both as an engineer and a former federal government employee, she is an excellent fit to work with engineers, architects, and scientists in government and contractor organizations.

She brings the following background and experience:

✓ 15 years employment as a government engineer (NAVFAC, NAVSEA, US Dept. of Energy)

- ✓ Design and facilitation of over 500 partnering meetings and training sessions with over 100 of these being Partnering Sessions, Design Charrettes, or Concept Design Workshops for design and construction projects
- ✓ Engineering degrees (BS in Civil/Structural, ME in Environmental)
- ✓ Professional Engineering registration (VA)
- ✓ 20+ years as a professional facilitator, trainer, performance coach
- ✓ Certifications and coursework in facilitation, group dynamics, and conflict resolution
- ✓ Author of over 20 peer-reviewed publications presented in the U.S. and in Europe

Ms. Boucher's methods are straightforward, practical, and useful producing both immediate and long-term benefits. She is known for her candor and skill in communicating social science concepts in ways that are understandable and that help clients incorporate the ideas into their work processes.

The Laurel Co. is a HUBZone, Woman-Owned company. More information is available at www.the-laurel-company.com and www.linkedin.com/in/laurelboucher.

DIFFERENTIATORS

- Technical background - Master of Engineering Mgmt. and Professional Engineering Certification
- First-hand experience of Federal Employment (15 years)
- Customization - Every Laurel Co. offering is designed uniquely for each customer and application
