

JUNE KID'S CLASSES

All kids are welcome to participate in our summer classes! Kids ages 3-5 must be accompanied by an adult willing to help their student if needed. Most classes have two options, one in the morning (10am – 12pm) & one in the afternoon (2-4pm). This allows you to pick the class time that works best for you! Most classes are 2 hours, however, we sometimes get done early. Please sign up at least 24 hours in advance on our website as classes will be cancelled if 3 students are not signed up.
