Others:

Pastor Wambua would like to build a boys wing at Perry Jayne High School. It would have the following costs: Classrooms \$25,000.00; Dormitory \$30,000.00; Beds/Mattresses \$10,000.00. If the boys wing were built, it can guarantee High School education for both boys and girls. Currently, he is only helping girls after 8th Grade graduation but would like to see boys studying through High School.

HOW TO GIVE

1. Send funds to the BGAV (Baptist General Association of Virginia)
attn: Missions Development Team, 2828 Emerywood Parkway, Henrico, VA 23294
(804.915.5000)
2. Make out your checks to the BGAV, but in your cover letter, and on your check, earmark it for "Kenya Missions/Pastor Euticauls Wambua." (If there are adequate funds, BGAV typically wires the funds to them around the middle of each month.) By making your check out to the BGAV, you get a tax deduction.
3. After the middle of the month, follow-up with Pastor Wambua and verify how you want the funds distributed as the BGAV just sends it in one lump sum a month and does not designate all of the people it came from or their requested distributions.
