### How to generate revenue with our golf entertainment

#### A unique sponsorship:

Our fee is priced so you can generate additional revenue underwriting sponsorship. We recommended it as special attraction to include in a title or corporate sponsor you looking to secure. It can just be a closing argument for securing the high value sponsor. They are looking for something special! Our contest is ideal to interact with golfers aka potential clients, will love having them on the tee.

#### Optional fundraising at the tee:

You can fundraise on the tee in addition to the sponsorship through team donations.

#### What can you raise?

We can give you some guidance based on the size and nature of your tournament.
