Shorty (TM)

Behold the World's Smallest
Golf Ball Launcher!

FOR GOLFERS, IT'S ALL ABOUT THAT SCORECARD

Picture this:

You tell your golfers that they could potentially get a big fat zero on a par 5, or at worst a 2, and they practically glow with excitement. That's the kind of all-in attitude we live for!

Be prepared to be awestruck by **SHORTY** a small, 22 inches 2.2 lbs. but fierce launcher with colossal capabilities helping golfers to score big on the par 5! This little guy packs a punch hitting a set up target!

Plus, with low noise and pressure, the good times won't stop.

Sure, Shorty on the course is a blast, but imagine doubling the fun with a pair of dueling Shortys and two golfers launching off simultaneously!

Since Shorty is so fast we're giving players three shots in one go, all while turbocharging the game!

Sure, gathering donations and raising funds is a biggie, but no worries! We've got your back. Your sponsors will be itching to holler, "Pick me, pick me!" to sponsor Shorty.

AND YOUR SPONSORS WANT TO GET NOTICED IN A BIG WAY TOO, RIGHT?

That's where our **TentEDGE Canopy Branding** comes in to save the day!

We help them stand out like a tiger in a penguin parade, and before you know it, they'll be itching to sign on that dotted line.

Those tee signs are so last season, and nobody's giving them the time of day!

Oh, and by the way, TentEDGE is totally exclusive since it's patented and can't be found anywhere else.

Score a set for yourself and jazz up any event!

Don't let budget concerns rain on your parade! We've got options for every wallet size.
