Radiance Restored is a weekend healing retreat for women who have experienced the trauma of betrayal and abuse. The retreat offers attentive care to the particular wounding inflicted by one's spouse through infidelity and abusive behaviors. Incorporating the sacraments, the retreat experience seeks to restore our truest identity: Daughters of the Living God. Grounded in the Catholic-Christian understanding of the person, Radiance Restored supports healing through and with the Body of Christ. It was created to draw women out of the shadows of their trauma and into restoration in the Light of Christ.

This retreat is for you if you

- Discovered your spouse's infidelity or problematic sexual behaviors
- Experience emotional, psychological, or narcissistic abuse
- Feel trapped in destructive cycles with your spouse
- Have lived with a spouse with an addiction
- Are married, separated, or divorced
