A MESSAGE FROM SECRETARY-TREASURER JUAN CAMPOS ABOUT COVID-19 COMMONLY KNOWN AS THE CORONA VIRUS

Dear Brothers and Sisters,

As you are aware, the Corona Virus, has been in the news since its outbreak in December 2019, and has spread globally, including to the United States. As of March 5, 2020, the State of Illinois has confirmed its fifth (5th) case of the virus. As Secretary-Treasurer, this has caused me great concern. I assure you that your health and safety while working is of utmost importance to me, and as a Local, we want to do everything in our power to ensure you are healthy and safe at work.

I have contacted each of your employers requesting what policies, procedures, and preventative measures they have in place to ensure that your exposure to the virus is as minimal as possible. Additionally, I have requested that all disciplines or attendance related issues regarding sick days or personal time be suspended at this time, so members can take the necessary time off if they are sick. Like you, we will continue to work with your employers, and we will be monitoring this matter closely. For more information about COVID-19, please visit www.cdc.gov/coronavirus/2019-ncov/about/index.html or www.teamster.org.

In Solidarity,

Juan C. Campos
Secretary-Treasurer
