

PINE MOUNTAIN POA

DUMPSTER RULES 2024-2025

- 1.) Pine Mountain POA Members ONLY. All others will be prosecuted for trespassing.
- 2.) No entering the dumpsters and/or dumpster-diving.
- 3.) **Household trash ONLY. No furniture, appliances, corrugated cardboard boxes, construction materials, yard debris, oils, paints, or any other hazardous materials.**
- 4.) Breakdown all other non-corrugated boxes so flat and condensed.
- 5.) Don't leave items outside the dumpster. Post items you think still have value on <https://www.facebook.com/groups/107278001323807> in case anyone may want/need the item.

The dumpsters are under video surveillance 24/7. If rules are egregiously ignored and/or broken, the fine will be \$100 and associated costs if the POA is required to clean-up the area and/or the trash company charges a surcharge. Republic will levy a fine if the dumpsters are overfilled in volume (lids cannot close) or weight.

Thank You in keeping Pine Mountain clean.
