

# PUREBLOOD Returns with New Single “10/10”

Out April 10, 2026 via Hola Entertainment

Two musicians. One vision. **PUREBLOOD**.

Nashville, TN — April 10, 2026 — Pureblood, the explosive collaboration between vocalist Cesar Punski (formerly of Grounds and Oh Romeo!) and guitarist/producer Alex Lipshaw (Hey Monday), returns with their 5th studio single “10/10,” releasing April 10, 2026 via Hola Entertainment.

Following the momentum of their previous releases, “10/10” showcases a more playful, confident side of PUREBLOOD — blending pop, hip-hop influence, and melodic hooks into a feel-good anthem built for repeat listens. Anchored by the standout hook “10/10 bet she be my girlfriend,” the track explores themes of admiration, exclusivity, and recognizing undeniable value.

“10/10 is about knowing what you have in front of you and not settling for anything less,” says Cesar Punski. “It’s confident, it’s fun, and it’s something people can feel immediately.”

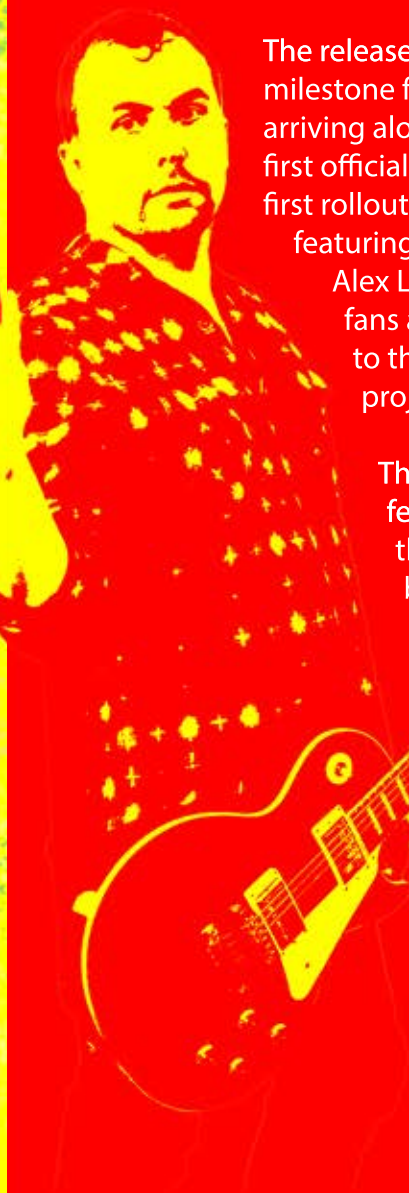

“The record came together naturally,” adds Alex Lipshaw.

“We leaned into the energy of the hook and built around it. It’s one of those songs that just sticks with you.”

The release marks a major visual milestone for PUREBLOOD, arriving alongside the band’s first official music video and the first rollout of official photos featuring Cesar Punski and Alex Lipshaw — giving fans a clear introduction to the faces behind the project.

The music video features @nattywolf as the lead model, bringing the concept of a “10/10” to life through bold, stylized visuals that match the track’s energy. “10/10” will be available on all major streaming platforms on April 10, 2026.
