FOR IMMEDIATE RELEASE

Rare Phantom Announces New Single
“Nessuna Risposta” — Dropping May 30th

Rare Phantom is back—and he’s not holding back. On May 30, 2025, the artist returns with “Nessuna Risposta,” a haunting, emotionally charged new single released in collaboration with Hola Entertainment. It’s bold, cinematic, and hits with the kind of depth fans have come to expect—and crave.

This new release marks the beginning of a fresh chapter. With Hola Entertainment bringing their strategic firepower to the rollout, “Nessuna Risposta” is more than a drop—it’s a moment. The song dives deep into the silence that follows when words are left unsaid, carried by Rare Phantom’s signature moody production and sharp lyricism.

“This song is personal—it’s the sound of letting go, of dealing with the weight of no answers,” says Rare Phantom. “It’s the beginning of something new, and I’m glad to have Hola Entertainment with me on this one.”

energized about the partnership and its potential to elevate Rare

Hola Entertainment is equally energized about the partnership and its potential to elevate Rare Phantom’s reach.

“We see something special in Rare Phantom—an artist who’s authentic, driven, and ready to connect on a deeper level,” said a representative from Hola Entertainment. “We’re proud to help bring this vision to life.”

If you’ve been waiting for the next Rare Phantom era—this is it.
