Re: Vehicle Pursuit for Year 2021

As of the current date, the Jackson County Sheriff's Office did not have in-car pit maneuver, spike strips, road blocks or any other tactic in ending pursuits due to the limited availability of in-person training due to the pandemic.

However, the policy was reviewed by the deputies as a refresher in the expectations of the Office and the law.

Yearly Review:

2021 Vehicle Pursuits: 3

Pursuits ending in crash: 2

- Involved stationary cruiser that the suspect hit. No injuries. Successful apprehension.
- Suspect crashed after driving over spike strips deployed by another agency. No injuries. Successful apprehension.

Successful outcome: 3

Review of Vehicle Pursuit: All three followed policy 4.10
