

Thank you for considering Anna Marie's Winery and Café to host your special event!

GENERAL BANQUET INFORMATION

- Please note that we do not offer any completely private spaces. All areas are semi private.
- A non-refundable deposit of \$100 and signed Event Agreement secure the date for your table(s). This deposit will go toward the final bill.
- Our back dining room can seat up to 70 guests. Parties of 40 or larger require exclusive room rental. Rental rates for this area are \$150 for the first hour and \$100 each additional with a minimum food purchase of \$595.
- If our pavilion is the desired location, exclusive rental is required and weather permitting. Pavilion capacity is 40 guests and rental rate is \$300 for the first hour and \$200 each additional with a minimum food purchase of \$595. If inclement weather is forecasted, event will be held in our back dining room.
- We do not host parties in our front dining area.
- If not exclusively renting an area, your table(s) will be reserved for a maximum of two hours. All events must be ended and space vacated within that time frame. Additional time may be added at a rate of \$150 per hour, not exceeding 3:00 PM for luncheons and 9:00 PM for dinners.
- Clients are permitted to arrive one hour prior to their event start to decorate, set up, etc.
- Decorations to the room are acceptable, however, nothing is to be hung from the walls or anywhere else that may cause damage. Additionally, glitter and confetti are not permitted. Any décor that is brought in must be removed by the end of the designated event time.
- We are unable to accommodate parties of 12 guests or larger on Fridays and Saturdays after 3:00 PM.
- Final guest count and menu selections are due 14 days prior to your event. At this time, exact meal counts are required (i.e. how many lasagnas, chicken parmesans, etc.) if serving a plated dinner. After the final guest count is given, the guest count may not be decreased. This is the amount that you will be charged even if less guests attend as this is the amount that we prepare for.
- No smoking is permitted in the restaurant.
- We do not permit any outside food or beverage except for desserts.
- By law, absolutely no outside alcohol is permitted. We reserve the right to immediately end your event with no refund and ask you to leave the property if we find that outside alcohol is being served.
- We require that children are under adult supervision at all times. Running children are a safety hazard to both the child and our wait staff (hot plates, trays, etc.) and are disruptive to other restaurant patrons.
- Currently, we are unable to host functions that require A/V capabilities such as microphones and projectors.
- All party dining bills will be settled on one check and include 6% sales tax and 20% gratuity.
- Due to limited parking, we ask that guests car pool when possible.
