

Lake County Cattlegwomen Cookbook Project

Hello Lake County Cattlegwomen!

The LCCW's Chapter has an exciting new project in the works. We recently rediscovered the Lake County Cowbelle's "Favorite Beef Recipes" cookbook that has been well loved. The cookbook dates back to the 80's and walks us down memory lane with memorable community names, people, and local businesses.

We are looking to develop a new cookbook with our members - with the purpose of bringing the community of cattlegwomen together and raising funds for the Chapter.

If you would like to take part in the planning or contribute recipes, we ask you to join us!

Cookbook Committee Meetings: **First Monday each month 5:00pm @ the Eagles Lodge in Lakeview. Regular meeting will follow at 6:00 pm.**
