I have been issued an entry access card for the recreational areas within Summertree. I understand that this card is for my family's use only. I will not loan this card to anyone, at any time, for any reason. I further understand that my name is connected with this card and each use of this card will be recorded by the access control system. I agree to use this card to gain entry to the recreational areas according the rules governing their use.

If this card is stolen, lost, damaged, or otherwise rendered unusable, I will report this immediately to the property manager. I understand that I will be required to pay a fee for a replacement card if needed. I also understand this card will be deactivated if I am delinquent with my dues or move out of Summertree.
