A modern interior space featuring a reception desk made of large, polished marble slabs with a complex, organic pattern of beige, cream, and brown tones. The desk has a curved front edge. Behind the desk, a computer monitor is visible. To the left of the monitor, there are two decorative vases: one is blue with a textured, stacked design, and the other is brown with a similar design. Above the desk, a black track lighting system is mounted on the ceiling, with two white, flexible, looped light fixtures hanging down. The background wall is also covered in the same marble pattern. To the right, there are dark, vertical panels. A white, modern chair is partially visible on the far right. The floor is made of large, dark grey tiles with subtle veining.

ARTWOOD BLACK

PLACING TIP EJEMPLO DE COLOCACIÓN

A photograph of a modern, two-story house at dusk. The house features a prominent white horizontal overhang. A large section of the upper floor is covered by a wooden celosia screen, which is illuminated from within, creating a warm, glowing effect. To the right of the screen is a large glass window reflecting the palm trees. The ground floor has a dark grey wall and a wooden door, which is lit from within. A small, dark, rectangular light fixture is mounted on the wall to the left of the door. The house is surrounded by lush greenery, including palm trees and various shrubs. The sky is a deep blue.

A modern balcony with a white metal railing and large arched windows. The floor is covered with a light-colored rug featuring a repeating circular pattern. A white sofa with several cushions is positioned on the left. A large, round, woven ottoman sits in the center. Two potted plants are placed near the railing. Two decorative lanterns hang from the ceiling. The view outside shows a mountain range under a clear sky.
