MAINTENANCE PROGRAMS TO HELP MAINTAIN PROFICIENCY

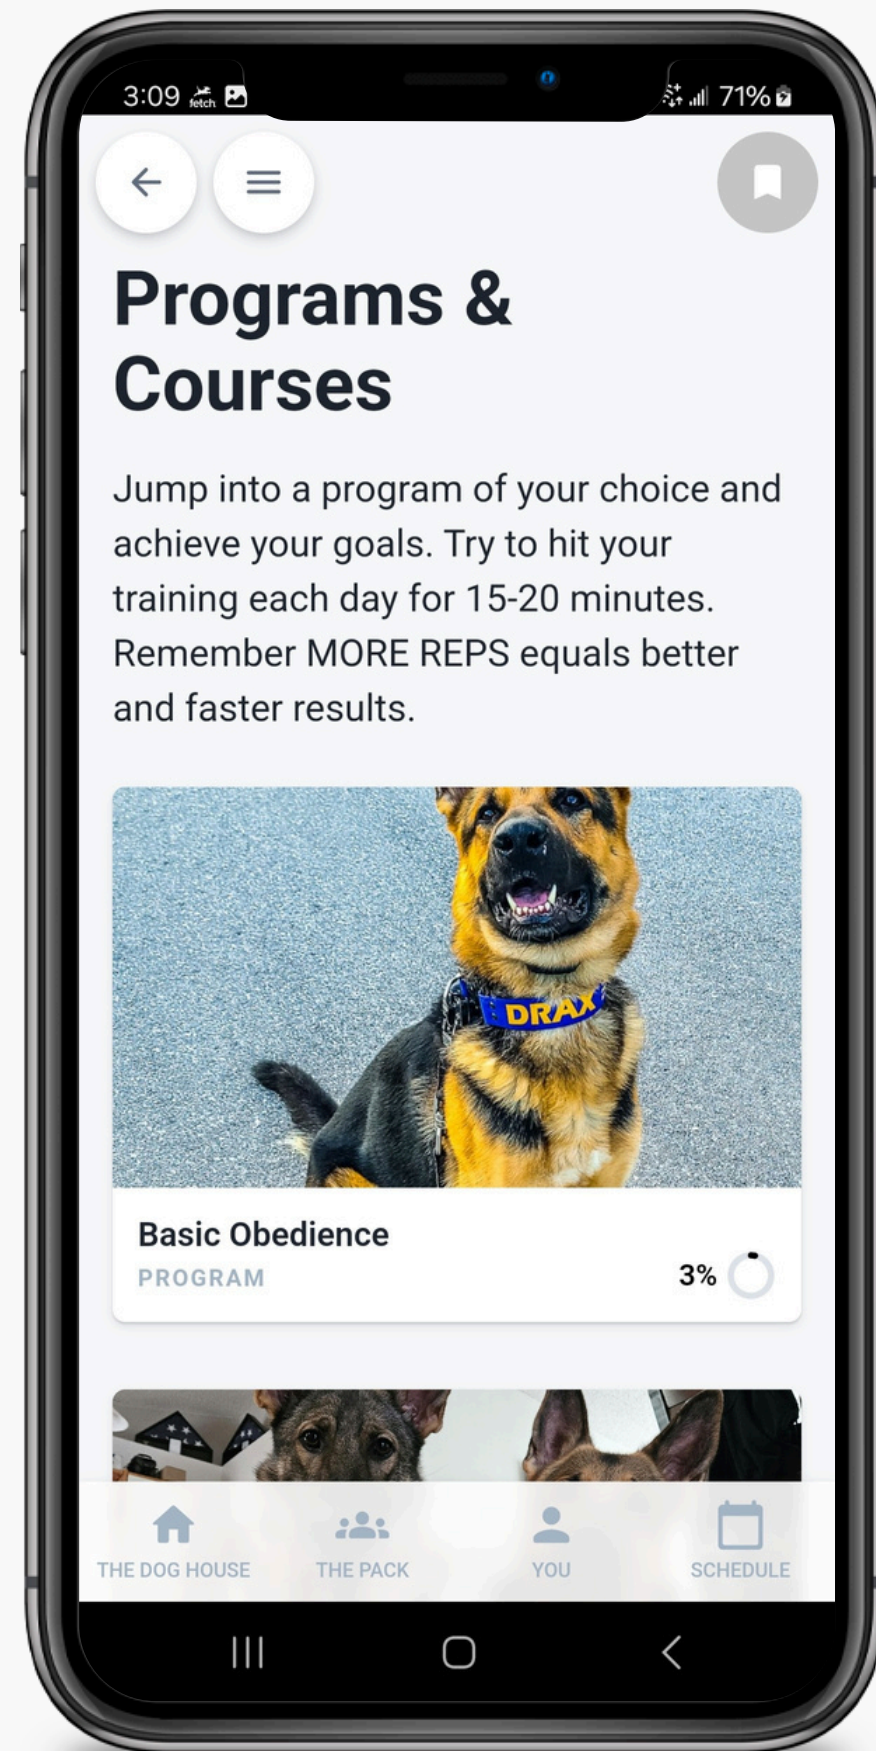

MAINTENANCE PROGRAMS

It is human nature to train on only the things we like to train on. In dog training this presents problems with maintain proficiency. The End of Leash App gives you month long training programs to help keep all aspects of training balanced, taking all the guess work out off your training program.

MAINTENANCE TRAINING FOR THE REST OF YOUR DOGS LIFE AND MORE!

Our Maintenance programs are broken down into on leash, off leash, advanced and blended programs. Each of those have 22 months of programs to follow.
