 **From Your Pastor**

I want to begin by saying Thank You for the card and gift card given to me on Pastor Appreciation Day. I am really blessed to be pastor of this Church and have the kind of support each of you give me every day. And then, thanks to everyone who helped get all the Charge Conference report forms ready. The actual Charge Conference takes place by Zoom on Saturday November 13 at 10 a.m.. Anyone interested in attending the session can contact Amy and she can give the site to go to (you understand that all this is above my pay level). I am so thankful to those in our church who take care of all the technical things that I don't do so well (my wife especially).

All Saints Day is November 7 and on that day we want to honor all our church members who have died during this past year and any others in your family you wish us to list. Just let me know, as soon as possible, who you want on the list and they will be remembered that day.

Thanks to all of you who are attending service on Sunday and to all who watch and listen on our website. We are doing the best we can to keep moving forward right now. Pray for our church and its ministry every day and don't forget that our finances are important during this time.

Bro. Wayne

*Sunday, November 7th*

It is the day we remember members of our church and members of our families who have entered into the Church in heaven. Please let Bro. Wayne know if you would like someone to be remembered.

 Veterans at Mt. Carmel UMC!**

**Be Thankful**

Be thankful that you don't already  
 have everything you desire.

If you did, what would there be  
 to look forward to?

Be thankful when you don't know  
 something, for it gives you the  
 opportunity to learn.

Be thankful for the difficult times.

During those times you grow.

Be thankful for your limitations,  
 because they give you  
 opportunities for improvement.

Be thankful for each new  
 challenge, because it will build  
 your

strength and character.

Be thankful for your mistakes.

They will teach you valuable  
 lessons.

Be thankful when you're tired and  
 weary, because it means you've  
 made a difference.

Find a way to be thankful for your  
 troubles, and they can become  
 your blessings.

For we would be more grateful if  
 we knew how much of what we  
 take for granted is planned by  
 God!
