From Your Pastor

October 2021
Volume 14 Issue 5

*The Work of God through
Mt. Carmel UMC is done by
the efforts of 115+ persons
and the Light of Christ
through the Holy Spirit.
Join this oneness in Christ.*

Can you believe it--fall is here. We are officially in the last few months of this year. It seems to have gone by quickly. We have seen changes we never could even imagine. We are hoping things will return to normal soon, but then we wonder what the new normal will be. It certainly will not be like we remember normal to be. Great changes are taking place and we don't like some of them and support others of them. No one knows right now if or when, we will ever come to church again with no masks. No one knows when we will be comfortable again with all of us gathering in our sanctuary for worship or re-start Sunday School or Wednesday Night Bible Study.

All we know for sure right now is we are still the Church. We are Mt. Carmel UMC continuing to be in missions. We are all supporting the church financially and coming for worship whenever possible. None of this is easy right now. So many of you are stepping up to make possible all we are continuing to do and I thank you for that.

So here is what we can all be doing. Stop and pray for our church daily. Then, pray for all those we keep on our prayer list. Send cards and texts to tell others how special they are. Take food to one another and others when it's appropriate. Make a phone call to someone you missed in church last Sunday. And always be listening for God to answer your prayers.

I look forward to seeing you in church soon. God Bless you. I pray for God to do that for each of you everyday.

Bro. Wayne
