

Group Registration Information

- Each camper needs to register online and pay the \$50 deposit fee. We need all of their information in our UltraCamp database.
- The group discount will apply for a group of 20 or more campers and the discount will be 10% of the camper fee per camper. Please see the website for early bird discounts which the groups are able to take advantage of, if they have deposits in by the deadline date.
- Groups must have registrations and deposits submitted 30 days prior to the camp session to qualify for the discount.
- Deposits are non-refundable but are transferable to another camper's deposit.
- The group's balance must be paid in full 7 days prior to camp.
- If a child's parent serves as staff, the staff discount of \$75 will be exchanged for the 10% group discount, but the camper still counts in the group's numbers.
- The group leader should contact the registrar to alert them who to contact with any information.
- A Group Leader Information Form is provided for optional use. It can help the leader keep track of who is going to camp, what grade they are entering in the Fall, and how much they have paid.
