

Greetings Parents!

When the sun rises, it speaks of the glory of the Lord. When the stars begin to twinkle in the night sky, they proclaim God's power and give voice to the majesty of our Great Creator!

We are looking forward to an incredible time at Cedarbrook Camp this summer with campers from all over Southern California. Our theme will be "20/20 Focus: Seeing the World through God's Eyes." Each day will be loaded with fun, amazing food, breath-taking beauty in God's creation, music, laughter and chances to see Christ in every aspect of our lives. We can't wait to see you at camp!

Sincerely,
Timberwolf
Camp Director

Parents! YOUR TO DO LIST

- Register your camper (includes Health Form)
- A \$50 deposit per week is due at registration
- Pick a payment plan.
- Print off the Packing List Below and begin labeling your camper's belongings.

Parent-Child Tips for Success

1. **Have Confidence** - If you are anxious, they will be anxious. If you are excited, they will be excited. We follow ACA guidelines when hiring and training our staff. We have an RN on campus at all times. We are trained professionals and want your camper to have the best camping experience possible. Please reach out if you have questions.
2. **Play Camp with your child** - Let them sleep for a night in a sleeping bag, practice putting on bug spray, and get their clothes out of a suitcase. Encourage them to drink a whole glass of water at each meal, as it helps prevent headaches and tummy aches at camp. Camp will be a fun experience for your child if you practice it first, because it won't be completely new to them.
3. **Find out what we do...and get your camper excited.** Go over the daily schedule with your child and check out our website at www.cedarbrookcampca.org. The campers will have opportunities to choose various activities which may include Outdoor Skills, Archery (age limited), Crafts, Mountain Biking, Swimming, and Hiking.
4. **Homelonly vs. Homesick** - The counselors are your "fill-in" parents. Don't make deals to pick up your camper early. Plan on and encourage your child to have a wonderful time at camp.
5. **Put your child's name on everything.** Your camper's clothing will be mixed up with another camper's, so be sure to label everything. We will have a better chance of returning their items to them if everything has a label.

Camper Mail

You are welcome to send your camper an encouraging letter or postcard by mail:

Camper Mail Example:

Johnny Doe
Cedarbrook Camp c/o Camp Sky Meadows
3191 Radford Camp Road
Angelus Oaks, CA 92305

Insider Tip: You are welcome to bring letters with you on Sunday and turn them in at registration. You will save money on postage and make sure your letters “arrive.” Please address your camper’s mail with their name and address, and the day you would like them to receive it.

If you want your camper to write a note home, we strongly suggest you send pre-addressed envelopes/postcards, including postage, with your camper so they can send letters home.

Camp Photos

During the camp session, pictures will be posted on Facebook and Instagram. After camp, a link will be emailed with access to all camp pictures.

Phone Policy

We want our campers and staff to be 100% focused on their week at camp. Campers’ phones will be collected at registration and locked up. If we have an emergency or concern about your child, we will call you immediately. If you do not hear from us, you can assume that your child is having a great time and is safe!

Tuck Shop

All campers will have the opportunity to purchase camp gear as well as other fun items from our camp store, the Tuck Shop, during Free Time. We offer Cedarbrook water bottles, t-shirts, hoodies, stuffed animals, candy, ice cream, and other fun items. You can add money to your camper’s ultracamp account before or during camp. We recommend a \$25 amount for most campers. All money still left in a camper’s account at the end of the week will be considered a donation to Cedarbrook Camp.

What To Bring To Camp

Common sense is the best guide for choosing clothes for camp. Nights are cool; days may be warm. Legs and feet need protection on hikes. So, bring closed-toe shoes with laces, i.e. tennis shoes/sneakers, and socks to protect the feet. You may also want to bring old clothes you don't mind getting dirty.

Use the following suggestion list as you pack for camp. Write down how many of each item you pack. When you are packing to go home from camp, check to see that the number you brought is the number you take home. Careful packing and **labeling of all your belongings** will cut down on the number of articles left at camp. We are not liable for lost articles, but do try to return them **if they are labeled**.
