

Resilient Arrow Project's "Send" initiative seeks to provide opportunity and funding for therapeutic services to be provided to children with disabilities across the world. Many of these children are unable to receive these services otherwise. We do this while also providing the missional component of sharing the hope of the gospel of Jesus with them. Our Mission Trips seek to pour out the love of Jesus, while using the talents he has given us to care for each family. This trip will take place for two FULL weeks (14 days) mid-September 2026.

Occupation:

Location:

Why do you want to be part of the Resilient Arrow Project's mission trip to Kenya?

What would be your desired outcomes or goals for the "Resilient Arrow Send" Mission Trip?

What do you hope to contribute to the communities we will serve?

What are your main concerns or fears with participating in the "Resilient Arrow Send" Mission Trip?

Have you previously participated in any international service, volunteer, or mission work? If yes, where and what was your role?

What strengths or talents do you see as being an asset to the trip?

What are personal limitations that may need to be considered?

How did you hear about the mission trip?

Any additional information that you would like us to know about you?
