A glowing lightbulb is the central focus, with a human figure inside it. The figure's head is at the top, and their body extends down to the base of the bulb. The figure appears to be holding the top of the bulb, and the light from the bulb illuminates the figure's body. The background is dark, making the glowing bulb and figure stand out. The text "Ideas become reality. We'd love to work with you." is overlaid on the upper right portion of the image.
