

This Giving Tuesday, We Need You More Than Ever

MAKE YOUR TAX-DEDUCTIBLE DONATION HERE

Friends of Kenwood Academy (FOKA) exists to fill the gaps so that our students have access to the resources, opportunities, and experiences they deserve. This year brought tremendous momentum and real challenges for our Kenwood community.

And in a year where needs grew faster than resources, something extraordinary happened: *YOU* showed up.

Parents, alumni, neighbors, volunteers, partners, and friends stepped forward with generosity, time, and heart. Together, we strengthened the Kenwood community in powerful ways.

**Contribute to the 4As Campaign: Empowering Excellence in
Academics, Athletics, Activities & Arts**

MAKE YOUR TAX-DEDUCTIBLE DONATION HERE

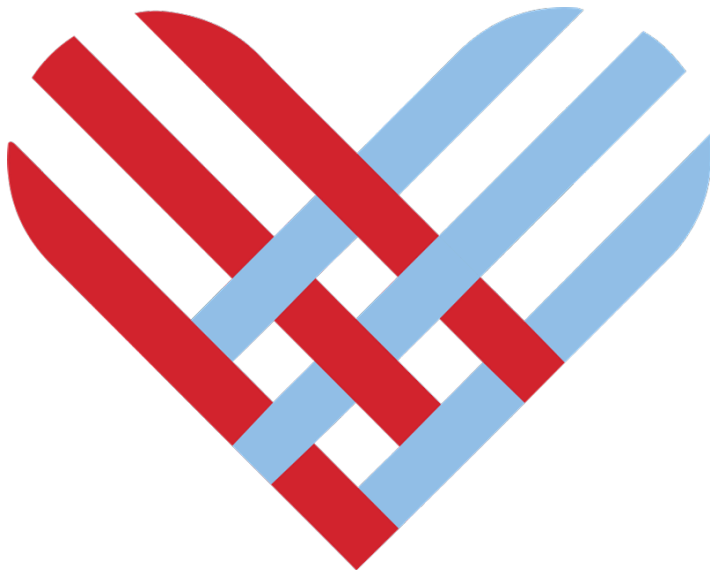

This Giving Tuesday, we're calling on every Bronco, family, alum, and friend to stand with us in strengthening the 4 A's: **Academics**, **Attendance**, **Arts**, and **Athletics**. These pillars define the Kenwood experience, and your support ensures every student has what they need to thrive.

Every contribution directly supports the 4 A's and the students who participate in them.

Our goal this year is participation.

Every Bronco who joins strengthens the 4 A's, uplifts our students, and moves Kenwood forward.

Your contribution will help FOKA fulfill funding requests made for extra-curricular activities, including student travel, uniforms, equipment, technology and so much more.

5015 S Blackstone is where our students show up everyday for the Best High School Experience in the City of Chicago. Give now to ensure they have all the resources they need to continue excelling.

GIVE GENEROUSLY this GIVING TUESDAY

ALUMNI SHOW YOUR CLASS PRIDE!

Join our Class Pride Challenge and make a lasting impact with a gift that represents your class year:

Class of 1988? Donate \$19.86!

Class of 2002? Donate \$20.02!

Feeling extra generous? Add a "0" or two to amplify your impact!

Use the comment section of your donation to share your class year and show your contribution.

PARENTS: HELP US GIVE THE GIFT OF TRANSPORTATION!

Help Kenwood purchase a 2nd Bronco Bus with a donation this Giving Tuesday! Give your student's class a head start by contributing a gift that represents THEIR class year!

Class of 2025? Donate \$20.25!

Class of 2026? Donate \$20.26!

Class of 2030? Donate \$20.30!

DONATE HERE

This year, we will enable students to expand their horizons with the gift of travel – Kenwood is buying a bus! Renting busses for student activities is very expensive - it can cost up to \$2000 a trip for students to travel to compete in athletic events or academic competitions. To open the doors for more student groups and athletic teams to travel, we are raising at least \$50,000 to purchase a second Bronco Bus.

Community Care Delivered With Dignity

Our Thanksgiving distribution brought together volunteers, students, and community partners to support 120 Kenwood school and community families with full holiday baskets. Through our collaboration with the I'Marion Stewart Foundation, families received turkeys, dry goods, and Kenwood merchandise bags, reflecting the deep generosity of our community.

Community Impact Through the Hyde Park 5K

Through the *Beyond a Mammogram: Hyde Park 5K & Kids Dash*, our community rallied to raise nearly **\$5,000** for breast cancer research and Kenwood Academy.
