

RBI Licensed Peer to Peer Lending Marketplace

www.monexo.co

FIXED INCOME INVESTING REDEFINED

Invest in units of INR 1,000 in screened, retail borrowers – the money making machine of big banks.

Discover the first real alternative to investing in Stocks and Bonds.

- Opportunity to earn **upwards of 15% p.a**
- **Diversify into consumer loans** – an asset class earlier available to only big banks.

Introducing

Peer to Peer lending with Monexo

At Monexo, an award winning RBI approved NBFC P2P, we use technology and sophisticated risk management to match creditworthy, individual borrowers looking for personal loans with investors looking to diversify their portfolio and earn steady, above market returns.

Monexo democratizes access to the 'consumer loans' asset class – earlier monopolised and available only to big banks.

Borrower get quick, affordable personal loans upto INR 5 lakh and investors get the opportunity to build monthly income and earn upwards of 15% p.a*.

*Returns in P2P are subject to credit risk

Compared to other investments*

How Monexo takes care of your money

RBI approved platform

Monexo is licensed and regulated by the RBI as a Peer to Peer lending NBFC & meets all regulatory norms stipulated by RBI

Borrower Screening

Borrowers on Monexo are handpicked and verified across 150+ credit parameters by Monexo's risk analysts before you invest in them.

Escrow Account

Monexo has partnered with IDBI Trustee to execute your investments. Monexo does not have any access to your funds ensuring you have full control

Diversification

The more you diversify, lesser is the risk. You can achieve maximum diversification & effectively mitigate credit risk by investing as low as INR 1,000 per borrower.

Collection & recovery

In case of any instances of late payment from borrowers, Monexo takes care of the entire recovery process, to ensure you have a hassle free investing experience
