NOVEMBER 2026 NEWSLETTER

35 YEARS

Dearly Beloved,

We thank you for helping us continue to take the salvation message into the nursing homes. The invitation to accept Jesus' gift of eternal life is always offered in each service, and many have responded.

If you've wondered why we haven't sent newsletters for the past few months, it is because we were very busy moving to Florida. Also, we have had to make changes in our computer work, since the program called Publisher, has been shut down, and Nikki has had a lot to learn.

Six years ago the Lord put it on Buck's heart to start Sunday morning church services in Starke, FL at Riverwood NH and Windsor HRC. We found a brother, Ron Penrod and his wife Linda, to rotate with us so that every Sunday these two homes receive a church service.

Also, we've added a home in Crescent City, FL to our monthly visits. Buck says, "We may not be kicking as high as we once did, but at 82 years old apiece, we're still kicking."

Our Florida homes are very happy to know that we will be giving them monthly services, since we have closed our West Virginia ministry. We praise the Lord that He still gives us strength to continue full-time ministry in Florida.

We are preparing a Christmas love gift for each of our nursing home residents this year, so they will feel the love of the body of Christ - that they are treasured.

We are stuffing 200 stockings with Kleenex, a yarn angel, hand lotion, and a teddy bear, along with a Christmas card.

If you still support this ministry, be assured, your gift is being used for nursing home services. God bless you, and we thank you.

Love and prayers, Buck & Nikki

(We enclose our October newsletter, which was returned to us for our printer failing to print the addresses dark enough. We thought the post office would still be able to send them, but . . . (sigh).
