"Promoting the Gospel of Jesus Christ"

2019

Dearly Beloved,

"We don't regret a mile we've traveled for our Lord!"

This month we are praising God for privileging us with the responsibility of carrying the Gospel of Jesus Christ in the power of His Spirit for 28 years. Now, at the age of 74, we look back through thousands of photos, and we are in awe at the way the Lord has led us: to pastor four churches (one in Grandin, FL; two in Jacksonville, FL; and a fourth in Leron, WV), to minister to thousands of people in hundreds of nursing homes throughout Florida, North Carolina and West Virginia; to buy and repair school buses to transport nursing home people to church and to take them on outings; and to see many surrender their lives to Jesus.

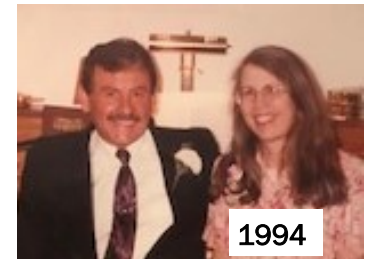

We are still traveling today, and we are wearing out our 5th motor home in order to "feed His sheep" and tell the Good News of forgiveness of sin and eternal life in Jesus Christ in 42 nursing homes.

The Lord has given us a young couple to mentor in carrying on His ministry to nursing home people at Glad Tidings, the present church in Jacksonville.

All the glory goes to the Lord Jesus, for it is He who has done the work through us and our helpers.

As we said, "We don't regret a mile we've traveled for the Lord." We are so in love with Jesus, we just want to follow Him and do His will wherever He leads. It has been an honor to serve Him in nursing homes and churches, and we plan to travel as long as He allows. He has done the work; we are His vessels. What joy to be a part of His plan. Thank you to those of you who travel with us through your prayers and support.

God bless you. Love, Buck & Nikki
