Dearly Beloved,

We interviewed our friend, Denise, who lives in a nursing home in Jacksonville, FL, because we thought she would be an inspiration to you. She is 62 years old and has been a Christian for many years.

Previously, she worked for 15 years as an elementary school teacher, but, in 1991, she was diagnosed with Multiple Sclerosis. Some years later, feeling sorry for herself and not wanting to be a burden to her family, she attempted suicide. Her family caught her in the act and rushed her to the hospital to have her stomach pumped out. (She said it was a fleeting decision; just deceived by Satan). She sought her Heavenly Father in prayer, and

asked Him to forgive her and show her how to live. He revealed to her that her life belonged to Him and she was precious in His sight; He had a good plan for her.

She continued to live at home until her husband was in an automobile accident in 2013 and could no longer care for her. As a result, she had to enter a nursing home.

When asked what she would like to tell our readers, she replied, "Tell them life is a gift. Live your life each day remembering that Jesus died on the cross to forgive your sin and give you the privilege of fellowship with Him eternally. Put on a garment of praise for a spirit of heaviness. Don't be defined by your diagnosis; your life is more than that. Walk with the Lord in prayer and trust Him. His grace will be more than enough to live above your circumstances, and, when people ask you how you can smile and be joyful in the condition or situation you are in, you will be able to tell them about JESUS."

We pray that Denise's testimony has encouraged you. She has determined to bring glory to her Savior and Best Friend. She prays you will do the same.

**Thank you for sending us into the nursing homes to encourage and strengthen these precious ones in their faith. Those, who have heard the salvation message and surrendered their lives to Jesus, thank you for sending the Truth to them through this ministry.**

**Pray for us as we leave FL and head for mission work in NC and WV. "There are souls to rescue, there are souls to save. Send the Light; send the Light." We won't give up, and don't you.**

**Love, Buck & Nikki Stanley**
