

# Apollo Endosurgery Conference

## London 2020

— THE —  
HARLEY STREET CLINIC®

part of HCA Healthcare UK

4<sup>th</sup> International Conference on Minimal Access Gynaecological Surgery and Endometriosis.

**15<sup>th</sup> – 16<sup>th</sup> of June 2020**

**The Hallam Conference Centre, Marylebone, London**

**44 Hallam Street, London W1W 6JJ**

Now entering its third year, this is a collaboration between The Harley Street Endometriosis Centre, London, UK (Part of HCA Healthcare UK), The Southern Endometriosis Centre, Portsmouth, UK and Moscow Regional Scientific Research Institute in Obstetrics and Gynaecology (MONIAG), Moscow, Russian Federation.

The conference brings together an international faculty of expert speakers to share knowledge and research in minimal access, robotic surgery and infertility dedicated to the next generation of endoscopic and robotic surgeons specializing in complex surgical care for endometriosis and benign gynaecological conditions.

Academic lectures in the traditional conference setting are combined with live laparoscopic surgery to create an inspiring environment within which open exchange of best practices, skills, equipment and techniques is optimized. We aim to share our best practices in endoscopic surgery in order to achieve the best outcomes for our patients.
