Drinks Reception Acoustic Style Repertoire

This is a handpicked selection of stripped-back acoustic style anthems from my extensive repertoire, built over 20 years of performing. Featuring soul, pop, dance, and RnB favourites, these songs are perfect for creating the ideal atmosphere at drinks receptions or lounge/bar performances. If there's anything on this list you'd like to hear a sample of, just get in touch! I am also happy to arrange music for any special song you'd like to include.
