TWO LAURAS DESIGN

FOR THE LOVE COLOR AND PATTERN

A LOOK BOOK

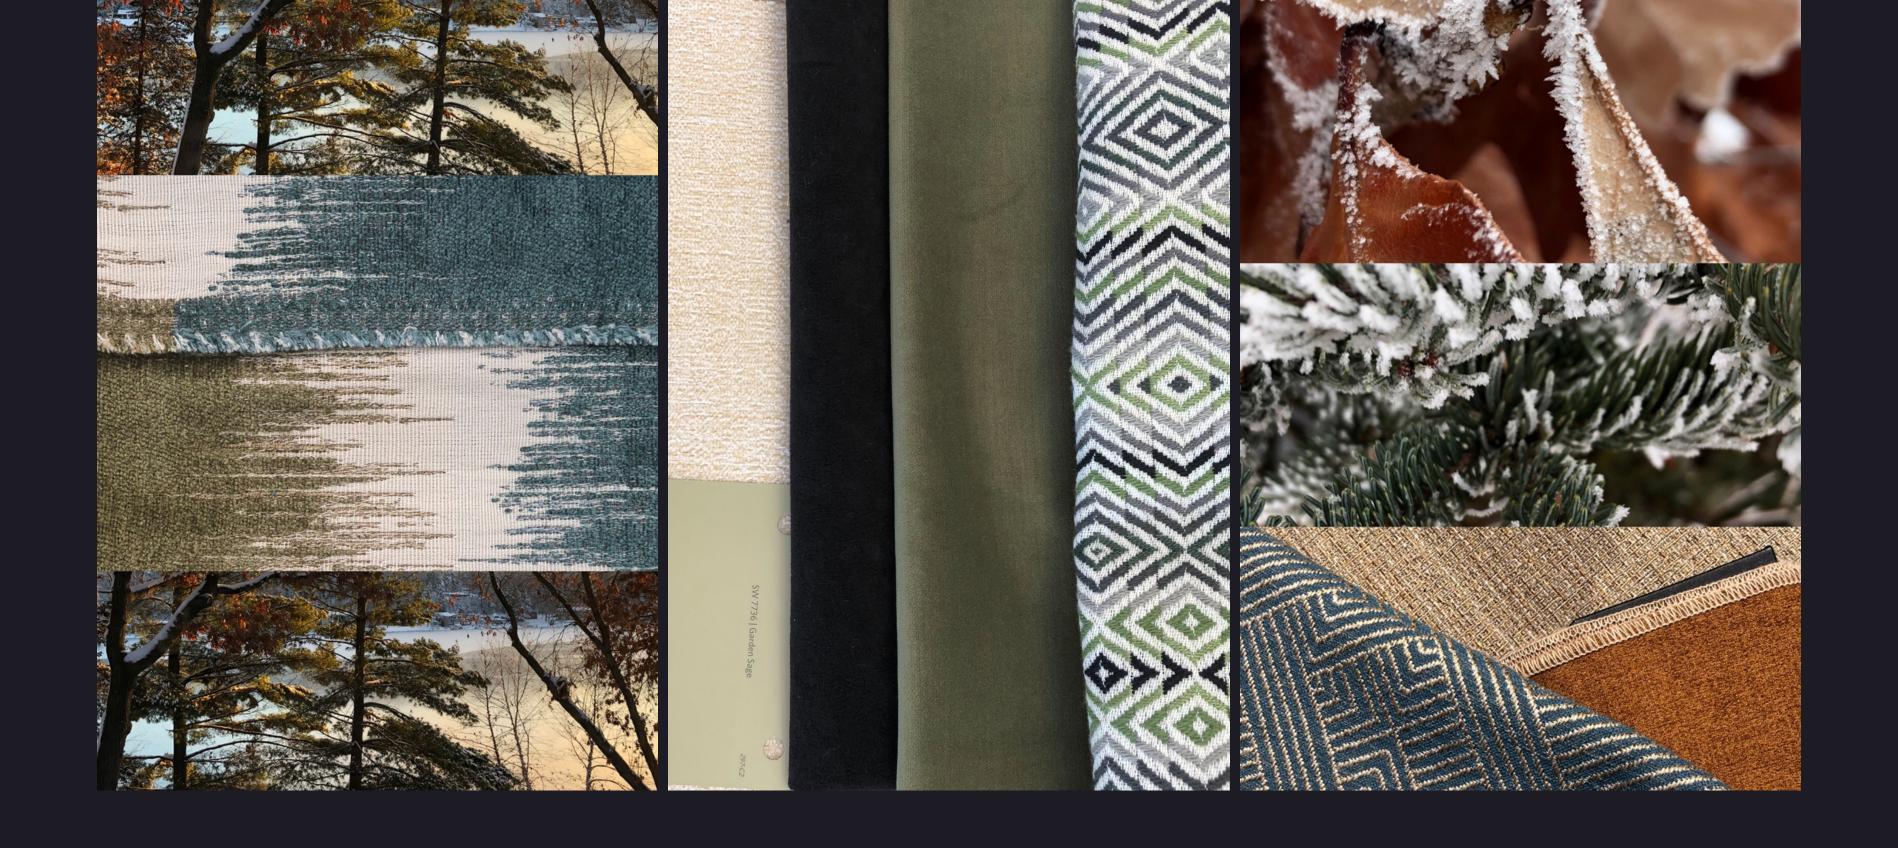

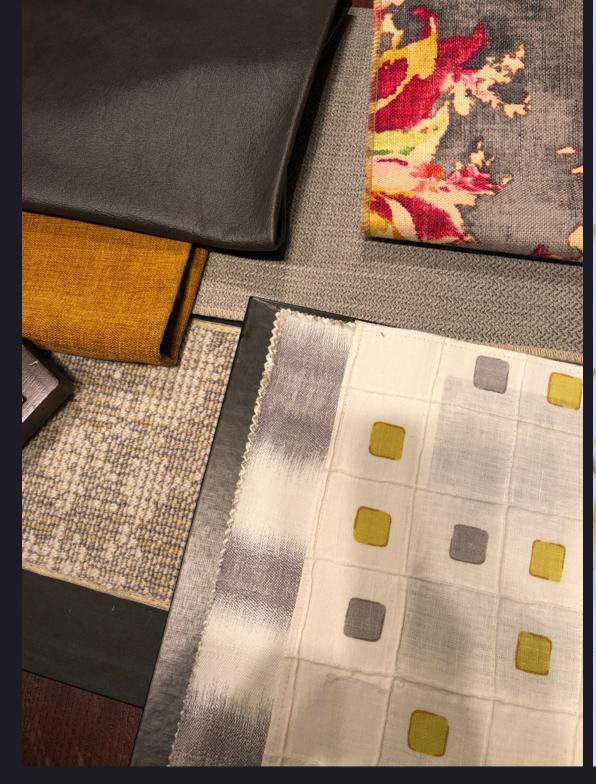

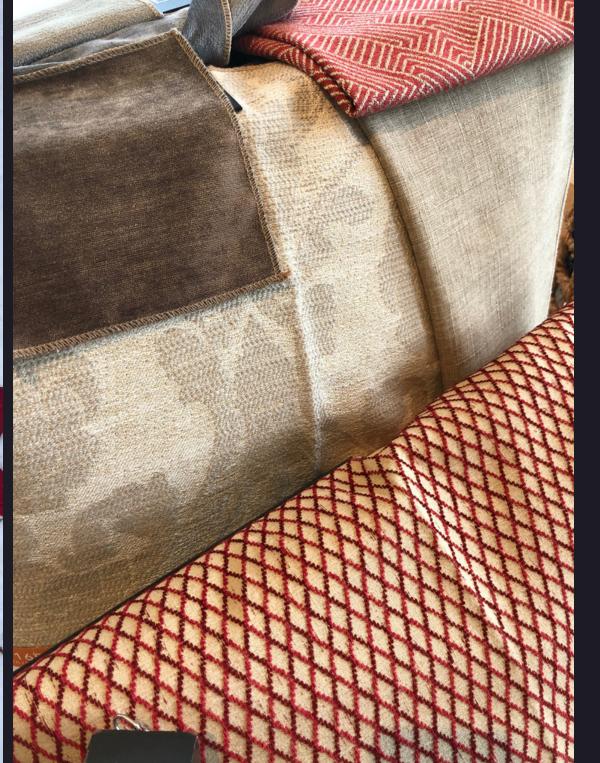

This project was inspired by a Pinterest image of Ikat draperies that I couldn't reproduce.

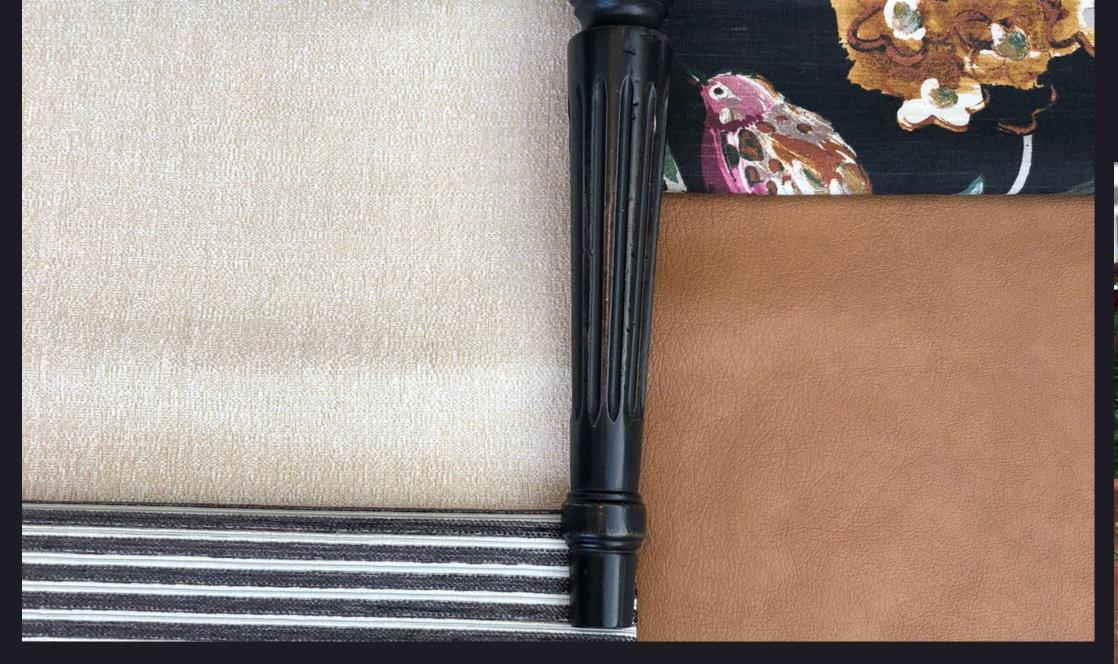

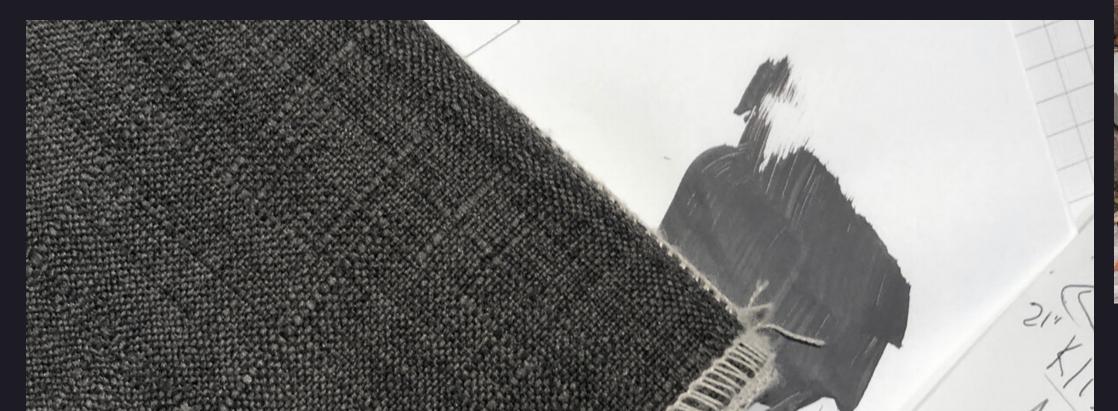

Always inspired by nature!

Travel Inspiration

Light fixture spotted in a shop in Brooklyn, NY

Late summer road trip inspiration

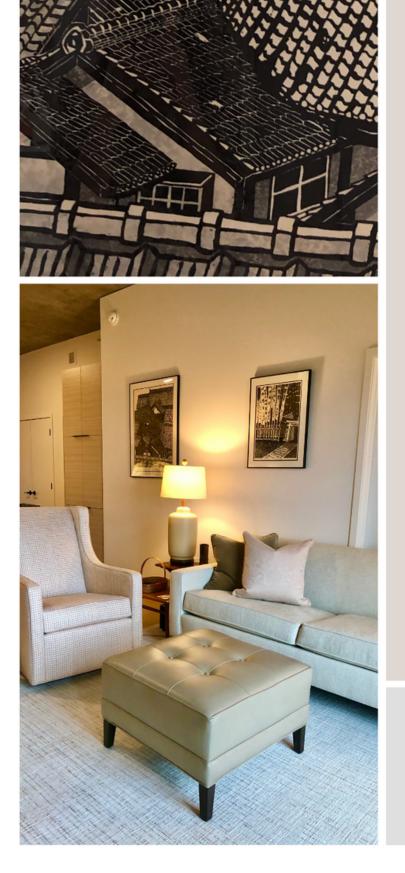

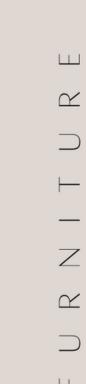

Clients beloved possession inspiration

My client's sisters had made this quilt for her, and she had inherited her parent Midcentury end tables. We used the quilt to find fabrics that would pull together these items with her Japanese block art for a truly unique look.
