Insurance Disclaimer, Payment and Treatment Authorization:

Medical insurance plans have exclusions, these help keep premiums low for your employers. This makes your medical plan a supplemental coverage for your medical needs and not designed to cover your treatment in its entirety. Dr. DeArmon's goal is to identify, recommend and create a treatment plan in your best interest. I understand that I am responsible for all costs of chiropractic care, regardless of insurance coverage. I authorize and give consent for payments to be directly made to ProActive Sport and Spine. I understand that I am responsible for all medical costs regardless of my medical coverage. All information provided by me on my patient information and health history are correct to the best of my knowledge. I grant the right to ProActive Sport and Spine to release my medical information to third party payers and/or other health professionals. I understand ProActive Sport and Spine works with the District Attorneys office when fraudulent funds are issued. Service charges may apply to my account in addition to any NSF Check Fee. In the case of default of payment, I promise to pay any legal interest on the balance due, together with collection costs and just attorney fees incurred to collect on my account or future outstanding accounts. I understand that payment is due at the time services are rendered. I am aware of ProActive Sport and Spine's 24 hour cancellation policy. I understand if I cancel an appointment without giving the requested 24 hour notice, my account will be assessed a $25 fee.

Notice of Privacy Practice Acknowledgement

The following is a summary of the guidelines ProActive Sport and Spine uses to protect your personal healthcare information. Inquire at the front desk if you would like to review our Notice of Privacy Practices which contains a more complete description of the uses and disclosures of your health information. I understand that I may request in writing that ProActive Sport and Spine restrict how my private information is used or disclosed to carry out treatment, payment or healthcare operations. I understand that under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), I have certain rights to privacy regarding my protected health information. I understand that this information can and will be used to:

-Obtain payment from third party payers.
