

Don't Fear the Russ Reaper

Now their time has come
Here the power's gone
Russ Vought is the reaper
He wields the pen, the funds and the brain
Here comes the reaper
Dems you babies

Here comes the reaper
Gonna tie your hands
Here comes the reaper
Won't be able to fly
Here comes the reaper
Crybaby end your plan

Blah Blah Blah Blah Blah (x4)

Original Lyrics by Blue Oyster Cult
