

It Ain't Trump's Fault

[Verse 1]

Blame the fear on fake news
Blame fake news on the fear
Blame the fist for the fightin'
For the things I hold dear
Blame the song for the steal
Blame the steal for the song
Blame the song for the patriots a million
strong

[Chorus]

But it ain't Trump's fault
No, it ain't Trump's fault
Mighta had a little fun
And some wrong got done
But it ain't Trump's fault

[Verse 2]

Blame the vax on the Covid
Blame the Covid on the vax
Blame the facts on the devil
Blame the devil on the facts
Blame the feds for J6 and
Blame J6 for the feds
Blame the truth and our freedom for
whatever happens next

[Chorus]

But it ain't Trump's fault
No, it ain't Trump's fault
Mighta had a little fun
And some wrong got done
But it ain't Trump's fault

[Bridge 1]

I got my hands up
I need my 45

Find me a patriot who can testify
They made a mistake
They got the wrong guy
He's only guilty of a freedom fight
No, it ain't Trump's fault

[Guitar Solo]

[Verse 3]

Blame my freedom on my name
Blame my name on my freedom
Blame my lack of knowing better on
mass indoctrination
Blame the woke on the lies
Blame the lies on the woke
Blame the fight on the Karen that
couldn't take a joke

But it ain't Trump's fault

[Bridge 2]

I got my hands up
I need my 45
Find me a patriot who can testify
They made a mistake
They got the wrong guy
He's only guilty of a freedom fight

[Outro]

No, it ain't Trump's fault (oh oh oh, oh
oh)
No, it ain't Trump's fault (oh oh oh, oh
oh)
No, it ain't Trump's fault (oh oh oh, oh
oh oh, oh oh oh, oh oh, oh oh)

*Original song by Brothers Osburne
Parody lyrics by Uncle Jam*
