

Please review the following general information and requirements, thank you.

## PREPPING FOR PICK UP OR DROP OFF:

*Holding tanks must be emptied **PRIOR TO** delivery for storage.* We do not have this service. Please plan accordingly.

Weekend drop off is **STRICTLY BY APPOINTMENT**. Dock space is limited, and boats dropped on the weekend usually start getting pulled out on Monday. Dropping off without an appointment could result in:

- 1-THE GATE IS LOCKED, and you cannot get out of the marina because no one had an appointment to come on that day.
- 2-Someone with an appointment will not have a spot at the dock when they arrive.

If you drop off your boat on the weekend, it is your responsibility to **make sure all lines are properly tied**, and the boat is secured. Generally, no one will be at the dock to assist you on the weekend.

Have a problem with mildew? If you are able, we suggest that you remove life vests and other items from under the seats and inside compartments to avoid mildew growing on these items over the winter.

Thank you in advance for making sure there is **no food/drinks/food wrappers/trash** left in your boat.

## STORAGE OPTIONS

**INDOOR:** Includes hauling, power wash, blocking & storage, and launching in the spring.

**OUTDOOR:** Includes hauling, power wash, blocking & storage, and launching in the spring.

**SAILBOAT:** Includes hauling, power wash, storage on sailboat stands, and launching in the spring. If you do not have your own sailboat stands, there is an additional rental fee per stand.

**WAVERUNNER/PWC:** Includes hauling, blocking & inside storage, and launching in the spring.

**ON YOUR TRAILER:** BOAT OR PWC/WAVERUNNER: Outdoor storage of watercraft on your trailer. No other service included. We do not store trailered watercraft indoors.

**TRAILER STORAGE:** Empty trailer, stored outside. See trailer storage form for requirements.

All forms are available in PDF format at [www.thompsonmarinenj.com](http://www.thompsonmarinenj.com)

# Terms and Conditions, Storage Agreement

We do not need this page back  
PLEASE KEEP FOR YOUR REFERENCE

*For the following terms and conditions, the word "Owner" refers to the owner(s) of any vessel, trailer, or other unit, left at Thompson Marine for repairs or storage. "Unit" will be used to refer to any boat, PWC, motor, trailer, etc. left at Thompson Marine for repairs or storage. "Thompson Marine" and "Marina" refers to Salty Marine DBA Thompson Marine.*

**YOUR SIGNATURE** on the storage request form indicates that you have read and understand these terms and conditions. CALL OR EMAIL IF YOU HAVE ANY QUESTIONS. THANK YOU.

1. Owner authorizes the requested work and/or storage along with any necessary materials.
2. It is understood that Thompson Marine may operate the Unit on any waterway or elsewhere for the purpose of testing, inspecting or delivery at Owner risk.
3. Thompson Marine will exercise due care in safeguarding property within the Marina. Owner agrees that Thompson Marine shall not be liable for any loss, damage, or injury due to theft, fire, vandalism, Acts of God, or any other conditions beyond our control to Unit(s), contents or other property left anywhere within the Marina premises.
4. Thompson Marine reserves the right to move the Unit at any time, within the Marina, as needed.
5. **PROOF OF INSURANCE REQUIRED:** Owner agrees to have Unit covered by a full marine insurance package (hull coverage as well as indemnity and liability coverage) while the Unit is in the possession of Thompson Marine. A current CERTIFICATE OF INSURANCE must be delivered to the office prior to hauling out the Unit, or accepting delivery of a trailered Unit, for storage.
6. Owner agrees to be personally responsible for all attorney fees incurred by Thompson Marine to collect any outstanding balances on Owner account. Owner acknowledges that Thompson Marine can file all the appropriate Maritime liens, either Federal or State, upon the boat, motor(s), and accessories thereof, to secure past due rental fees, costs of repair, gas, oil, maritime hardware, accessories, or other services or materials rendered to or supplied to Owner for use upon the Unit. Owner agrees they will promptly pay all charges under the terms of this agreement. All prices are subject to change without notice. Interest at the rate of 2% per month or a fraction thereof will be charged on all past due accounts at our discretion. Units left on Thompson Marine premises for a period of 6 months without payment of storage or repair bills will be considered abandoned, and seizure and sale procedures will be instituted under the laws of the State of New Jersey.
7. **ENVIRONMENTAL AND INSURANCE REGULATIONS & REQUIREMENTS**
  - a. No independent contractors, service organizations or outside individuals will be permitted to perform work on any Unit without prior permission. Outside individuals include Owner's friends, employees, or any other individual that does not have ownership interest in the unit. All contractors, organizations and outside individuals are required to provide a Certificate of Insurance Coverage that shall include coverage for liability, worker compensations, and name Thompson Marine as additional insured. Thompson Marine reserves the right to refuse permission if the work is a service Thompson Marine can provide.
  - b. **OUTSIDE STORAGE BOATS:** Owner WILL NOT perform any work from the paint line down. This includes painting the bottom and installing zincs. Owner may perform light work such as cleaning/waxing, above the paint line. We reserve the right to assess a \$500 penalty for each violation.

c. **INSIDE STORAGE BOATS:** Only Thompson Marine employees are allowed to work on a boat stored inside a building. No Owner or independent contractor will be allowed access to any Unit while it is inside a building. When possible, a Unit can be moved to an outside location, upon written request, with Thompson Marine approval, and for a fee. We reserve the right to assess a \$500 penalty for each violation.

7. Winter Storage runs from December 1, 2023 to May 31, 2024. Any Unit not scheduled for launch by June 15, 2024 will be charged for summer storage. No refunds will be given if this agreement is canceled during the storage period. Storage can begin any time during September through November at no additional cost. Keep in mind that the earlier you bring your Unit, the more likely you will be placed at or near the back of a row and therefore will launch later in the Spring. In most cases, you will be expected to pick up your Unit in March or early April if you drop off in December.
8. If you drop off your Unit outside of the M-F business hours, it is your responsibility to make sure all lines are properly tied, and the unit is secured.
9. Empty trailers left within the Marina will be charged for trailer storage. 24 Hours' Notice is required to pick up a trailer.
10. In addition to parts and labor, Thompson Marine charges a machine shop/disposal fee to help defray the cost of parts/materials and costs, which cannot be accurately itemized, which are used in the service and storage of your Unit. This fee varies depending on the size of the job, min \$35, max \$85.
11. Owner may not list the Unit for sale, display, show, advertise, demonstrate, or transfer ownership of Unit, while in storage, *without prior written notification to Thompson Marine*. The Marina gates are closed and locked mid-December through March 1 and the office is closed as well. Appointments can be made *well in advance* via voicemail or email.
12. Owner agrees to not hold Thompson Marine liable for any loss, including loss of use, caused by any delay in hauling, winter storage appointment, transporting or spring commissioning caused by weather, mechanical breakdown, or any other event beyond Thompson Marine's control, including supply chain and labor shortage issues.
13. Spring launching cannot be scheduled until account is paid in full. Owner shall not remove their Unit from the facility until all charges are paid in full.
14. Owner is required to make storage, service, and launch requests in writing via the appropriate signed and dated form, to the business office, in person or by mail or email. Verbal requests will not be recorded. Thompson Marine will strive to accommodate spring launch date requests, but *dates cannot be guaranteed*, see paragraph 12. Launch Forms are available at [www.thompsonmarinenj.com](http://www.thompsonmarinenj.com) after March 1, 2024.
15. Thompson Marine uses typical marine hauling, blocking and trailering methods. Owner shall not hold Thompson Marine responsible for damage resulting from the Unit being structurally unsound for these methods of handling.
