Date

Labor \$150/hour, 1/2 hour minimum | Offsite labor \$165/hour

For the following Terms and Conditions, "Unit" refers to any boat, motor, trailer, PWC, or other maritime equipment listed on the front of this service request. "Owner" refers to the owner(s) of the Unit listed on the front of this service request.

1. Owner authorizes the requested repair work to be done along with the necessary materials.
2. Thompson Marine employees may operate the Unit on any waterway or elsewhere for the purpose of testing, inspecting, pick up or delivery at Owner risk.
3. An express mechanics lien is acknowledged on the Unit to secure the amount of repair.
4. RISK OF LOSS: Thompson Marine will exercise due care in safeguarding property within the Marina. Owner agrees that Thompson Marine shall not be liable for any loss, damage, or injury due to theft, fire, vandalism, Acts of God, or any other conditions beyond our control to Unit(s), contents or other property left anywhere within the Marina premises. Owner agrees to indemnify and hold harmless, without limitation, Thompson Marine (including its' owners, agents, employees, or other representatives), from and against any loss, cost or damage to Units, contents, personal property, Owners, guests, or individuals invited by Owner, resulting from Thompson Marine's inability to act due to any emergency, act of terrorism, Act of God, or other situation beyond our control.
5. Units not picked up within 10 days of the date of invoice, without other alternate prior arrangement, may be subject to additional hauling and storage fees.
6. Thompson Marine has the right to file all appropriate Maritime liens, either Federal or State, upon the Unit and accessories thereof, to secure any storage fees, repair, gas, oil, hardware, accessories, or other services or materials provided as part of the repair or supplied to the Owner for use on the Unit.
7. Interest at the rate of 2% per month, accrued daily, will be charged on all past due accounts at Thompson Marine's discretion. Units or other property left on Thompson Marine premises for a period of six months without the payment of storage and/or repair bills will be considered abandoned, and seizure and sale procedures will be instituted under the laws of the State of New Jersey.
8. All prices are subject to change without notice.
9. In addition to parts and labor, Thompson Marine includes a Shop/Disposal/Environmental fee as part of most invoices. This fee is to help defray the cost of hardware or other materials, and the environmentally appropriate disposal of same, which cannot be accurately itemized, and which are used in the service and storage of your Unit. General amount ranges from \$40-45 but it can be more.
10. Payment for service work is due upon completion of the work. Thompson Marine reserves the right to require an upfront deposit on repairs and/or installations requiring high-cost parts and materials which need to be ordered for the job. The upfront deposit amount will be applied as a credit to your final invoice.
11. Thompson Marine uses typical marine hauling, blocking and trailering methods. Owner shall not hold Thompson Marine responsible for damage resulting from the Unit being structurally unsound for these methods of handling.
12. A surcharge of 2.5% will be added to all credit card transactions. Debit cards are processed as credit. This charge does not apply when paying by cash, check, or online ACH transaction.
