## Trailer storage Terms and Conditions:

1. Trailer must be clearly marked with something that will not weather off.
2. Trailers are occasionally moved/relocated as needed within the marina.
3. If you drop off on a weekend, call or email to let us know.
4. DO NOT ENTER our property and remove your trailer without letting us know.
5. 24 HOUR NOTICE REQUIRED FOR PICK UP. We are not always open on weekends. A phone call during the week is required for a weekend pick up. If you want to pick up on a Monday, call or email by Friday. If you arrive without notice you may have to wait for a Thompson Marine employee, at their convenience, to locate your trailer and bring it out. This could take up to an hour if they are moving boats when you arrive. Longer if your trailer is blocked in by other trailers.
6. Trailer Storage price is for a 6 month season. Any summer storage trailers here after December 1st, or winter storage after June 1st, will be charged \$20/week until the trailer is picked up unless other arrangements have been requested ahead of time.
