## TERMS & CONDITIONS: STORAGE.

For the following terms and conditions, the word "Owner" refers to the owner(s) of any vessel, trailer, or other unit, left at Thompson Marine for repairs or storage. "Unit" will be used to refer to any boat, PWC, motor, trailer, etc. left at Thompson Marine for repairs or storage. "Thompson Marine" refers to Salty Marine Inc DBA Thompson Marine. "Marina" refers to the boatyard property owned by Salty Marine Inc.

**YOUR SIGNATURE** ON THE STORAGE REQUEST FORM INDICATES THAT YOU HAVE READ AND UNDERSTAND THESE TERMS AND CONDITIONS. CALL OR EMAIL IF YOU HAVE ANY QUESTIONS. THANK YOU.

1. Owner authorizes the requested work and/or storage along with any necessary materials.
2. It is understood that Thompson Marine may operate the Unit on any Waterway or elsewhere for testing, inspecting or delivery at Owner risk.
3. **RISK OF LOSS:** Thompson Marine will exercise due care in safeguarding property within the Marina. Owner agrees that Thompson Marine shall not be held liable for any loss, damage, or injury due to theft, fire, vandalism, Acts of God, or any other conditions beyond Thompson Marine's control, to Units, personal contents or other property or persons, within Marina premises. Owner agrees to indemnify and hold harmless, without limitation, Thompson Marine (including its' owners, agents, employees, or other representatives), from and against any loss, cost or damage to Units, contents, personal property, Owners, guests, or other individuals invited by Owner, resulting from Thompson Marine's inability to act due to any emergency, act of terrorism, Act of God, or other situation beyond Thompson Marine's control.
4. Thompson Marine reserves the right to move the Unit at any time, within the Marina, as needed and without notification.
5. **PROOF OF INSURANCE REQUIRED:** Owner agrees to have Unit covered by a full marine insurance package (hull coverage as well as indemnity and liability coverage) while the Unit is in the possession of Thompson Marine for repairs or storage. A current CERTIFICATE OF INSURANCE or Declarations Pages are to be delivered to the office prior to hauling out the Unit for storage. Owner must provide proof of insurance upon each renewal year. Owner agrees to release and discharge Thompson Marine from responsibility or liability for injury, loss, and damage to persons or property in conjunction with the Marina facility or equipment. This release and discharge shall cover without limitation any loss or damage resulting from Owner parking or driving the Unit, theft, fire, vandalism, adverse weather event, high/low water, or any other Act of God.
6. Owner agrees to be personally responsible for all attorney or other fees incurred by Thompson Marine to collect any outstanding balances on Owner account. Owner acknowledges that Thompson Marine can file all the appropriate Maritime liens, either Federal or State, upon the Unit, motor(s), and accessories thereof, to secure past due storage fees, costs of repair, gas, oil, maritime hardware, accessories, or other services or materials rendered to or supplied to Owner for use upon the Unit. Owner agrees they will promptly pay all charges under the terms of this agreement. Interest at the rate of 2% per month or a fraction thereof will be charged on all past due accounts at Thompson Marine's discretion. Units left on Thompson Marine premises for a period of 2 months without payment of storage or repair bills will be considered abandoned, and seizure and sale procedures will be instituted under the laws of the State of New Jersey.
7. All prices are subject to change without notice.
8. In addition to parts and labor, a machine shop/parts disposal/environmental fee is charged on all invoices to help defray the cost of parts/materials and other miscellaneous costs, which cannot be accurately itemized, which are needed in the service and storage of your Unit. The fee can vary depending on the scope of the job, averaging from \$40-\$85.
9. **BOAT ACCESS AND ENVIRONMENTAL AND INSURANCE REGULATIONS & REQUIREMENTS**
  - a. No independent contractors, service organizations or outside individuals will be allowed to perform work on any Unit without prior permission. Outside individuals include Owner's friends, employees, or any other individual that does not have ownership interest in the unit. All contractors, organizations and outside individuals must provide a Certificate of Insurance Coverage that shall include coverage for liability, worker compensations, and name Thompson Marine as additional insured. Thompson Marine reserves the right to refuse permission if the work is a service Thompson Marine can provide.
  - b. **OUTSIDE STORAGE BOATS: Owner WILL NOT perform any work from the paint line down.** This includes painting the bottom and installing zincs. Owner may perform light work such as cleaning/waxing, above the paint line. We reserve the right to assess a \$500 penalty for each violation.
  - c. **INSIDE STORAGE BOATS:** Only Thompson Marine employees are allowed to work on a boat stored inside a building. No Owner or independent contractor will be allowed access to any Unit while it is inside a building. When possible, a Unit can be moved to an outside location, upon written request, with Thompson Marine approval, *and for a fee*. We reserve the right to assess a \$500 penalty for each violation.
10. Winter Storage runs through May 31. Any Unit not scheduled for launch by June 15 will be charged for summer storage. No refunds will be given if this agreement is canceled during the storage period. Keep in mind that the earlier you bring your Unit, the more likely you will be placed at or near the back of a row and your launch date will depend on the boats in front of you launching. If you come in late, we will expect you to launch earlier as your launch will make it possible to get to the boats you are blocking in.
11. If you drop off your Unit outside of the M-F business hours, it is your responsibility to make sure all lines are properly tied, and the unit is secured.
12. Empty trailers left at the Marina will be charged for trailer storage. 24 Hours' Notice is required to pick up a trailer in the spring.
13. **Owner may not list the Unit for sale, display, show, advertise, demonstrate, or transfer ownership of Unit, while in storage, *without prior written notification to Thompson Marine*.** The gates are closed and locked mid-December through March 1 and the office is closed as well. Appointments can be requested *well in advance* via voicemail or email.
14. Owner agrees to not hold Thompson Marine liable for any loss, including loss of use, caused by any delay including but not limited to hauling, winter storage appointment, transporting, repair, or spring commissioning caused by weather, mechanical breakdown, or any other event beyond Thompson Marine's control, including but not limited to supply chain and labor shortage issues. Thompson Marine will make every attempt to accommodate calendar requests but will not guarantee any completion/launch/delivery date.
15. Spring launching cannot be *scheduled* until any past due amount is paid in full. Owner shall not remove their Unit from the facility until spring commissioning and past due charges are paid in full.
16. Owner must make storage, service, and launch requests in writing via the appropriate signed and dated form, to the business office in person or by mail or email. Verbal requests will not be recorded. Do not give verbal or written requests to boatyard employees.
17. Thompson Marine will strive to accommodate spring launch date requests, but *dates cannot be guaranteed*, see paragraph 12.
18. Thompson Marine uses typical marine hauling, blocking and trailering methods. Owner shall not hold Thompson Marine responsible for damage resulting from the Unit being structurally unsound for these methods of handling.
19. **LOA** is understood to be: The measurement in feet from the tip of the bow to the center of the stern, including bow pulpits, swim platforms, motor brackets, anchors, the length of the motors or outdrives in the raised position or *any other* fore or aft extension. All calculations rounded up to whole feet.
