To Whom It May Concern:

This is a letter of recommendation for Chaundy Titus, a B.F.A. dance major with a GPA of 3.3 here at Towson University. Chaundy has been on the Dean's list three times so far, and has performed in every performance event we present, including performing in the Towson University Dance Company (by audition only). She is a full-time student and also teaches hatha yoga as a certified instructor at Crunch fitness, as well as working 20 hours per week at Starbucks. She also works as a substitute teacher for classes at local studios, including our community dance program. Post-graduation, Chaundy hopes to join a company and perform – perhaps in commercial work. She also enjoys teaching and plans to continue her somatic and yoga practice during her performing career and also afterwards.

I am writing as Chaundy's instructor in ballet, where she stands out as a sensual, mature mover. She has lovely long lines and she is athletic and strong -- wonderful attributes for a performer. She is also charismatic in dances for the camera which employ close-ups, and she moves with a graceful, cat-like quality that draws my attention no matter which genre she is performing. If you are looking for a unique performer, please consider hiring this self-directed dancer. I have seen her learn and grow under very challenging circumstances, and think she will light up your stage. Thank you for your contribution to the professional dance community, and please feel free to contact me if you would like any further information about this talented dancer.

Sincerely,

A handwritten signature in cursive script that reads "Susan Leslie Mann".

Professor Susan Mann
