To Whom It May Concern:

It is my pleasure to write a letter of recommendation in support of Miss Chaundy Titus, who is completing a Bachelor of Fine Arts in Dance: Performance and Choreography at Towson University.

It has been such a pleasure teaching and working artistically with Miss Titus during her journey here at Towson University. She is an intuitive dance artist with an exciting movement voice and facility. Her technical skill and adeptness is a highlight and key to her sensibility to her work. I am sure this ability will continue to be a strong foundation and offer success as she faces and meets the demands of the arts in this contemporary society and global world.

I have worked with Miss Titus in several technique courses and performances with the Towson University Dance Company. I found her to be a sponge with information and she allowed it to marinate deeply in her physical understanding. This quality translates beautifully in the solo-choreographed work for her senior project.

Miss Titus received a Yoga Foundation Certification and is continuing her study and training while teaching at an area gym. She has also taught adult tap and youth jazz for a local studio.

Miss Titus is a part of the mosaic fabric of our dance department and will be a role model in moving the field of dance forward as an artist and human. If you have additional question, please feel free to contact me at 410-704-2148 (office) or [ythomas@towson.edu](mailto:ythomas@towson.edu).

Artfully,

A handwritten signature in blue ink that reads 'V. Thomas'.
