Dear Friends and Supporters of the Ledwith-Lewis Free Clinic,

We need your help. Across the Middle Peninsula and Northern Neck Regions of Virginia, families don't have access to healthcare because they simply can't afford it. They are choosing between putting food on the table and going to the doctor, the dentist, or a mental health professional.

The Ledwith-Lewis Free Clinic exist so that families in our local communities don't have to make that impossible choice. Will you give \$50, \$100 or more to help support our mission to ensure that Virginia's medically underserved have access to affordable, quality healthcare?

Because of gifts like yours, LLFC was able to control Billy's diabetes, restore his eyesight and navigate essential oral health early enough to save his life.

Please take a moment to show your support for the medically vulnerable, by using the enclosed envelope or by visiting [www.ledwithlewisfreeclinic.org](http://www.ledwithlewisfreeclinic.org) and clicking the donate button to make a tax-deductible donation online.

Your investment will help us continue to build a healthy Virginia, one person at a time!

With much gratitude,

Michael H. Faulkner  
Executive Director
