RIBBON CUTTING

2020

CHAMBER RIBBON CUTTING GUIDE

One of the most exciting events and times for a business is celebrating the ribbon cutting, grand opening, anniversary or other business milestone. The Bellflower Chamber of Commerce provides this guide to assist you in the plans and preparation for a successful event.

Your business is open! Congratulations!

We've been a part of hundreds of ribbon cuttings and can attest to the excitement that they hold. Whether it's a super large affair or just a simple photo with family it deserves a celebration, and we know the hard work that comes after your doors are open. At the Chamber it's what we do, and we want you to succeed.

Planning your Ribbon Cutting

Planning for a ribbon cutting will assure that you have the outcome of the event you anticipated. For many of you, it's your first time being involved in a ribbon cutting. That's okay we can help you along the way.

A ribbon cutting is an official ceremony conducted to celebrate the opening of a business and to welcome your business to Bellflower.

Chamber across the county, including the Bellflower Chamber are the official organization of ribbon cuttings in their communities. A ribbon cutting can be a large event or a simple small event, the choice lies with the business. Either way this Chamber guide can help your through the process, along with your Chamber family.

Hosting a Ribbon Cutting

Hosting a ribbon cutting is an exciting time for your business. We often say that the most exciting 30 seconds for the business opening process is when you cut the ribbon. In reality, the ceremony does last a bit longer, but the culmination of the planning and hard work that into preparing a business for opening cannot be celebrated in a better way. This is such a special occasion in the history of your business, take advantage of the photo opportunity and begin building a Chamber of Commerce Network.

Scheduling the Event

*When should you hold a ribbon cutting?

Ribbon Cutting events are usually held within six (6) months of the business opening. Most all businesses have already opened before the ribbon is actually cut and that is widely acceptable protocol. Getting your business up and running is your first priority. You want everything to be completely finished and running smooth. Scheduling the ribbon cutting event s within two (2) months of your business opening is ideal! The ribbon cutting can be a stand alone event or in coordination with a grand opening (also acceptable to hold after the actual opening), open house, after hours or other opening event. You should always take advantage of all the advertising opportunities and schedule your ribbon cutting early with the Chamber of Commerce, again at least two (2) months is ideal.

Who is Eligible for a Ribbon Cutting?

Because of the Chamber is privately funded and takes tremendous resources, a ribbon cutting special event is reserved for **members only**. Please remember, the ribbon cutting is only the beginning of your Chamber relationship! We offer so much more for your business through, events, advertising, discounts, networking, committees, referrals and etc.

Is there a Cost?

This is one of the benefits of joining the Chamber of Commerce and is a free event. Your membership investment is minimal, actually less then a penny a day and the return is great with the exposure alone.

Community Partner

That's a very important role of today's business. Once the demands of your new business settles down, take advantage of the Chamber connections and networking opportunities that are beneficial in keeping your business connected.

"The more advance notice, the better!"

To Consider

Some ribbon cuttings have been just a simple photo op. Some have dozens of people attend and extend the event for an hour or so. Some have light refreshments. Others have had a larger amount of refreshments or meals. If you are a Chamber Member we will support you on this exciting day in your business, and we look forward to your success.

Ribbon Cuttings

We recommend you plan your Ribbon Cutting at least one month or more in advance.....

This assures your date is available and just as important, allows for more in-cresed exposure of your business. Please provide as much information as possible about your plans to help us properly promote your event. We can also offer guidance on the event and scheduling. The Chamber attempts to accommodate your scheduling dates and times within typical business hours and available dates. Thursdays are generally and usually the best day, but there can be exemptions. Keep in mind the Chamber of Commerce does have to coordinate with its President.

The Bellflower Chamber of Commerce recommends Thursdays and generally starting in the 4:00pm time frame. The ribbon cutting ceremony usually takes about 15 minutes and that's when the Chamber will be present. You may have your ribbon cutting longer hours of course. We will be there to take pictures, provide the ribbon & scissors, raffle tickets if needed and etc., along with our Chamber President presenting you with a certificate.

The Chamber will:

- Promote your ribbon cutting / event
- Place your ribbon cutting / event on our website, monthly Newsletter, E-Blasts and our several social media sites
- Provide a flyer / invite
- Invite all Chamber Directors, Ambassadors, Office staff, Mayor & City Council and local Dignitaries (elected officials), along with the Chamber Membership.
- Provide the large scissors (they really do cut!) and ribbon
- Take photos of your ribbon cutting / event
- We will post photos of your ribbon cutting / event on our social media outlets, website and monthly newsletter.
- Give you tremendous exposure of your ribbon cutting / event
- Provide raffle tickets and raffle drum if needed
- Welcome everyone if needed

Business should plan to provide

- Refreshments
- Drinks
- Decorations
- Tables & Chairs (if applicable)
- Wastebaskets
- Raffle prizes
- Entertainment (not a must)

These are optional and at the discretion of the business hosting. Many businesses add these extra touches, but many don't. Go as big or small as you would like. As a courtesy, we do recommend at least you provide drinks for all attendees.

The event will be on your location, we suggest you plan for parking, cleared entrances, basic services an overall neat appearance showcasing your business.

Do's and Don'ts!!

DO:

- Schedule the event
- Schedule as soon as possible— Not only to reserve your date with the Chamber, but to give attendees ample time to mark their calendar.
- Invite guests—many people fail at this. Invite staff, family, builders, contractors, vendors, customers and etc.
- Determine and Decide—Such as who will cut the ribbon, who will welcome guests and etc.

DON'TS

- Rely completely on the Chamber for attendance at your event. The Chamber cannot guarantee the number of guests in attendance.
- Over think
- Don't forge to enjoy the event.
